Selkirk lost another of its oldest and most highly respected residents in the person of Deborah Miller monly known as Aunt Debbie) wife of the late Detrick Hoover, who passed away at the residence of her son-in-law, Wm. Zimmerman, on Saturday morning, Sept. 10, at 4 o'clock, in her 91st year. She was the last and youngest child of old uncle Timothy Wardell, son of Pinneer Joseph Wardell, who came to this country from England in the year 1762. She married Joseph, who predeceased her over thirty years ago, and she had a family of eleven children. She is survived by one son and five married daughters:-Abram of Michigan; Mrs. Chris. Hurst, Selkirk; Mrs. John Mayhew, Hamilton; Mrs. Henry Hare, Rainham; Mrs. G. Smelser, Fisherville; and Mrs. Wm. Zimmerman, Selkirk, with whom she lived, also seventeen grandchildren and eleven great grandchildren. The funeral took place on Monday at 2 o'clock. After service in the old Disciple church, conducted by the Rev. Mr. Bailey, assisted by the Rev. C. J. Pardee, the remains were interred in the adjoining cemetery. She was borne to her last resting place by her son and five sons-inlaw. She was always an earnest, consistent Christian being, an advocate of the pure, simple teachings of the gospel of love. She was always kind and thoughtful of others and had endeared herself to a wide circle of friends by whom she will be greatly missed.

Canadian Home Journal

Newspapers of the Dominion long ago received the confidence and support of Canadians, but the magazines have had a harder lot. We are therefore especially pleased at the success of our native publication. The growth of Canadian Home Journal has been an example, not only of material progress but of steadily increasing quality until it compares favorably with any woman's magazine in America. Certainly at the price of \$1.00 it offers by far the best values.

With September number the size has been greatly increased and the Magazine iron wheels, light democrat, run-about harrow, set disc harrows, 1 drill, 1 iron starts the sixth year of its existence much larger than ever before, excellently printed and illustrated, and with attractive covers. September being Autumn Fashion Number, naturally there is a wide range of choice in woman's, girls' and children's

clothes. The housekeeper's departments are excellent with receipts, suggestions for different departments of the household and for the dressing table. "Jeanne of the Marshes," the serial, is

one of Oppenheim's best novels. The opening chapters picture vividly some very interesting characters and lay the foundation of a story that promises to have no lack of excitement from beginning to end. There are four short stories of different styles, but all of the kind that you must read at once when you're once started, and they make any resting time

pass very pleasantly. What stamps the Journal as particular ly Canadian are the interesting and instructive sketch of the harvest in Western Canada, recreation days at the Couchiching Camp of the Y.
