**LUEN RED CLOVER, ALSIKE, TIMOTHY
 LAWN GRASS AND MIXED SEEDS**

That has ever been offered here. We are taking the trouble of forwarding to the department for analysis and we are only going to sell seeds that will comply with the Government Act, and we ask the farmers to see our seeds before they buy, as the new Inspectors' Act comes in force April 1st and is a very right one. We advise the farmers to take pains in showing their seeds.

King George Coronation Fund

A Committee has been formed in England to receive subscriptions from all the "Georges" of the Empire for the purpose of giving a Coronation gift to His Majesty King George. It has been suggested by His Excellency the Governor General, who has been in communication with the Committee in England, that steps be taken in the Province of Ontario to receive subscriptions to this fund ranging from five cents to five dollars. The names of the subscribers will be published and a list sent to the King, but the amounts of the donations will not be shown on the list. The City Treasurer of Toronto has been appointed Treasurer for Ontario of the fund, and all subscriptions will, ultimately be forwarded by him to the Bank of Montreal, at Ottawa, to be in turn transmitted to the proper authorities in England. It has also been arranged that all branches of the Chartered Banks will receive subscriptions and forward same to City Treasurer not later than April 30th, 1911, after which no subscriptions will be received.

Reunion Ended in Marriage.

The following was contributed to the Tillsonburg Observer last week. "Some sixty years ago, attending the same social circle were two neighbor children, a little boy and a sweet little girl, and on account of her extra beauty and his love of the beautiful they became chums, and their friendship ripened into love. But cruel fate came their way and the little beauty was removed to the city, and time almost erased the pleasant memories of childhood. Each married and after many years of happy wedded life, which was blessed with plenty of this world's goods and small families, death removed the partner of each. They were active in body and mind, but forced to live lonely lives in their own homes, from which children had gone in search of wealth, and they found comfort in visiting old friends. On one of these occasional visits, after over fifty years of separation, the boy and girl of former years met and renewed their acquaintance. The first love revived, a proposal was accepted and an engagement followed and culminated in the marriage in Tillsonburg, on Monday, April 3rd, of Mr. Andrew Ostrander of Guysboro and Mrs. Jessie Nelson of Jarvis, formerly Miss Jessie McLean of Eden.

The marriage took place at the home of Mr. and Mrs. A. S. Stilwell, Bidwell street, the ceremony being performed by the Rev. F. Oliver, pastor of the Baptist Church, in the presence of a few friends of the bride and groom, who left on Tuesday afternoon to take up their residence in Jarvis.

Drowned in A Pond

Delhi, Ont., April 10.—Mr. Albert Murphy was drowned Saturday afternoon while on a fishing expedition at the Croton Pond about two miles from here. Murphy with two companions was leading a horse to the pond when the animal being blind walked off the edge of the bank into about twenty feet of water and it is supposed Murphy was jerked into the water by the horse. The body was recovered yesterday morning.

Straffordville's Loss is Jarvis' Gain

Mr. Andrew Ostrander a respected life long resident of this vicinity, has left us and gone to Jarvis, Ont. Mr. Ostrander comes from that historical body of pioneers, known as the N. E. L., which settled in the Township of Bayham in the early part of the 19th century. While the Ostrandere were of a retiring nature, never seeking for office either municipal or political, still it can be truthfully said they were ever ready to assist in furthering anything which was intended to better the conditions of the community in which they resided. While Andrew found contentment and plenty in following the pursuits of farming yet a number of his brothers followed the milling and lumber business of the early days. This can be said, whether in private or public capacity, the name, Ostrander comes down to this generation well recommended for industry, integrity and uprightness. Mr. Ostrander will find himself surrounded by new faces but they will possess the same characteristic as his more friendly associates. This one thing your correspondent can truthfully venture, that is this, that Mr. Ostrander will prove himself a worthy and much respected citizen. His many friends heartily recommend him to the confidence of all respectful citizens of his new home.

Where The Horse Falls.

Bone and sinew, says J. T. Stirrett, in an article on Motor Trucks, in MacLean's for April, cannot match a machine. During the last few hours of a busy day the efficiency of delivery horses decreases almost to a minimum. But the big truck is not so rugged on the beast. The former is in the veterinary surgeon. The great virtues of the horse, in comparison with the truck, are his cheapness and his reliability. He can usually get home.

The motor truck often refuses to return, and remain stranded at the other end of the route. Then another truck has to be sent for it. If the second breaks down, a faithful steed must be despatched to tow them both home.

How to Live Long

With healthy kidneys, one has a good chance to live long but weak kidneys afflict old age with great discomforts. The back becomes bent and lame, rheumatism is chronic, eye sight fails and too frequent or involuntary passages of the urine cause embarrassment by day and loss of sleep at night.

Booth Kidney's Pills bring new strength to old backs and quick relief to weakened kidneys. They banish backache and rheumatic pain regulate the bladder and urine.

Booth's Kidney Pills are for sick kidneys in old or young and are guaranteed by the proprietors, The R. T. Booth Co. Ltd., Fort Erie, Ont. Sold everywhere 50c. box. Free trial sent on request.
