House Cleaning Is Here

We are here with everything ready for this semi-annual event. We are prepared to compare values and prices with Mail Order Houses as already we have and customers have went away satisfied that they can procure value just as well in Jarvis as they can in the city stores besides seeing how they will look in a room instead of looking at them in a catalogue and letting their imagination run as to how they will look and then to be dissatisfied. We have a large room with nothing else except house furnishing, everything is in readiness now. We already have had a big season. The Rugs we have now are a second order that goes to show what we are doing in the Rug business.

LACE CURTAINS

From 50c a pair to \$4.00 a pair.

Also a variety of patterns of Chenille and Tapesty Curtains.

IMPORTED LINOLEUM
