STYLE IN HANGING CLOTHES.
The pulley lines do look tenementy," said Mrs. Flatdewler, "but they certainly are convenient. All you have to do is to lean out of the window and pin on your things to air or to dry, and there you have them all safe right under your nose."

COULDN'T GET 'EM OUT.
It is said, according to the New Orleans Picayune, that once when Reginald De Koven was touring the country he found himself in the town of Dayton on Sunday. He told Mr. DeKoven that an Episcopal church in the neighborhood had a superb organ. Accordingly, he went to that church, ascended the organ loft and sat beside the organist during the morning service.

WARS OF RE-BIRTH
"Like many another woman," writes Mrs. J. E. Hilliard, of Ashland, N. Y., "continued weakness caused by poor stomach and constipation led me to believe I would always be sick. It was Mrs. Ryan, my neighbor, who advised me to use Dr. Hamilton's Pills and it was the means of teaching he 'It is never too late to mend.' I am rather a small woman, always pale, except when my skin became a mud yellow. I never had much of an appetite because my digestion was never very good and still worse my system was seldom regular. Mrs. Ryan had become healthy and well with Dr. Hamilton's Pills and kept telling me that they would fix my system so it would work well too. Certainly Dr. Hamilton's Pills must have made right all that was wrong, for I weigh ten pounds more than ever before and feel fine. If you could see my rosy color and watch how quickly I do my housework, I am sure you would think just as much of Dr. Hamilton's Pills as I do. They are a real fine medicine for woman and like as not would do a man just as much good too."

WHEN A FIREBOAT GETS A CALL TO GO TO A FIRE.
The land fire engine stands in its house all ready to go out at any moment day or night. Over the poles in front of the machine hangs the harness ready to drop on the horses' backs, and close by in their stalls stand the horses ready to jump at the sound of the gong.

HOW TO LOSE MONEY.
Business men, who are the proper buyers of second mortgages, understand perfectly well that when they seek a rate of 6 per cent. they must pay a certain amount of money or a certain amount of security.

TRICKING THE LAWYER.
Client—Go you think that if I take the matter I've stated to court I shall win? Lawyer (sneering a big grin)—Unquestionably, as your opponent is a man who will get a verdict in your favor.

TAKING A COLD BOTTLE TO BED.
A cold bottle taken to bed with you is a great protection during these hot, sultry nights. We always associate a rubber bottle with hot water, but it is just as good for cold.

PROOF OF HIS HONESTY.
Oliver E. Curtis, sociologist, of Omaha, said recently to the Detroit Free Press: "Our slums are much cleaner than the old slums of Europe. Our slum denizens are cleaner, too."
