Real Saskatchewan Robes

The H. S. Falls Co. of Simcoe have a very close connection with the firm that manufactures Saskatchewan Robes. That is the reason you save from 1.50 to \$2.50 on Real Saskatchewan Robes, if you buy them from The H. S. Falls Co.

People look at our Furs, some go away and look elsewhere then come back to buy. There must be something about them that their judgment approves. Personally, we know that the furs are worthy of the Falls guarantee and the prices fair.

Pleasing Things are said about our Furs

One of the things we have noticed, especially this season, is the great number of customers who come to us for furs that have been recommended by friends that got furs from us years and years ago.
