It is up to You

To protect your family from the ravages of disease and infection; and the rigors of winter; to make your home the abode of Health and Happiness. Statistics tell us that there were over 250,000 deaths in North America last year from fever and pneumonia, over 90 per cent. of these cases were traceable to out-door closets and all were the result of insanitary conditions. Are you going to allow this terrible death rate to continue.

Why not insure Health by installing a "PARKYE" SANITARY CHEMICAL CLOSET

Absolutely Sanitary and Odorless, carries the endorsement of Physicians and Health Officials, and our own iron-clad guarantee; requires no expensive water-system; no plumbing; no sewage. Can be installed in any part of your home at the cost of a few minutes of your spare time; lasts a life time and costs less than a cent a day.

"Parkyte" Chemical has been proven by Bacteriological test to be the most powerful disinfectant, deodorant and germicide known to science.

A "Parkyte" Sanitary Chemical Closet is sold by E. T. CARTER JARVIS, ONT.

One of the Page Heirs.

One of the heirs of the Page estate, regarding which a letter was published last week, is Mr. Ed. Battersby of Moulton Township. Mr. Battersby's grandmother was a Page; her father was killed in the war of 1812, and it is thought her grandfather was the Thomas Page after whom search is now being made. The absence of authentic records of him after he came to Canada is the only thing that stands in the way of the division of the big fortune. The estate is no myth, but consists of property in London, Eng., now in the hands of trustees and of immense value. For some time the heirs have been looking into the matter, and have accumulated a great deal of important information, but they need more yet.—Dunnville Gazette.

Hicks' December Forecasts.

A regular storm period is central on the 15th, extending from the 13th to 17th. Low barometer, sudden change to warmer, with possible lightning and thunder and rain, will appear to southward about the 18th, and on the 14th 15th, 16th, and 17th general winter solstice storms will be natural over sea and land, covering most parts of the northern hemisphere. High barometer, sweeping gales and great cold will bring up the rear of storm areas. Reactionary storm period will bring change to warmer, with renewed rain and snow, on and touching the 20th, 21st and 22nd. The disturbances at this time will centre about the new Moon on the 20th, this being the center of another seismic period, extending from the 18th to 22nd. This period will add to the accumulations of snow and ice, resulting from previous solstice storms, and winter's cold will tighten its grip with the high barometer following the storms. A regular storm period covers the last week of the year, being central on the 27th. Storms will bring rain and probable lightning and thunder on and touching the 28th, but snow and sleet will follow. High barometer, northwest gales and cold, fair weather will prevail in most parts of the country as we pass into 1912.

Nature Steps

When the Kidneys Give out

Do you feel that you simply can't go any farther—that you must have rest for the lame and aching back—relief from that constant dead-tired feeling—freedom from those stabbing, darting pains?

It is nature's warning that the kidneys are giving out and you need the help of Booth's Kidney Pills, the guaranteed kidney remedy in every machine.

There is one part that works the hardest and gives out first. The kidneys work night and day, and naturally a life of unusual activity doubles the duties of the kidneys and in time the strain tells. The kidneys give out and nature cries "stop." Booth's Kidney Pills are sold by all dealers, 50c., postpaid from The R. T. Booth Co. Ltd., Fort Erie, Ont. There is no pill just as good. Send for a Free box. The test will prove the truth of our statement. Sold and guaranteed in Jarvis by T. E. Morrow.
