Miss Gladys Hewitt of Hamilton Normal School is spending her holidays under the parental roof. Miss Nellie and Master Harry Landay of Nanticoke spent Sunday with their sister, Mrs. J. W. Westoby. James Pretty spent Sunday in this burg.

Varency

We are awaiting a pronouncement from the goose-bone prophet. It is rather more than likely that the swamps will freeze up yet. Miss Aline Robinson returned to the burg on Saturday after spending a few weeks in Brantford. A Jaughter was born to Mr. and Mrs. R. E. Miller on the 18th inst. Mr. and Mrs. Silas Snyder and Mr. and Mrs. Bruce Hare were guests at "Burnside" on Sunday. The annual Christmas tree and entertainment under the auspices of the Plank Road Sunday School was held on Tuesday evening. Considering the condition of the roads and weather the attendance was good. A choice programme of vocal and instrumental solos, dialogues and recitations was rendered by local talent.

Marburg

Our Sunday School intend holding their Christmas tree and entertainment on Friday evening, Dec. 22nd. Mr. and Mrs. Lewis C. Marr of Moosomin, Sask., are visiting relatives here for a few weeks. Mr. and Mrs. Pow of Dean's Hollow visited Robert Marr's on Sunday last. Miss Bertie Cruise is home from Normal School for holidays. Will Smith captured five large skunks on Friday. There was a little excitement in our burg on Wednesday as the five o'clock train came through. One of our bachelors came from Dover with a jug of beer, he met Mr. Adam on the road and hit him behind the ear.

Cheapside

The weather has been disagreeable of late. S. S. No. 2 Walpole, intends holding its Christmas entertainment on December 22. Dialogues, recitations and songs are to be given by the pupils and music by outsiders. A silver collection will be taken up for the benefit of the sick children's hospital. Mr. and Mrs. Lamb have returned home after spending several months in Montana. The Methodist church of Cheapside intends holding its Christmas entertainment on Dec. 22 in the town hall. People are doing their Christmas shopping nowadays. James and Mrs. Nunn of Belkirk, are rejoicing over the advent of a son. The school children are very busy penning for their entertainment. Master Jimmy Murland is out trapping these days. Walter Lamb is on the sick list. Richard and Mrs. Hare have moved to Brooklya. The producers' company's drillers, working on Beck's farm, have moved their outfit about 30 feet.

Rockford.

The correspondent wishes the Record staff and the readers of the Record a Merry, Merry Xmas and a Happy New Year. Rev. J. W. Kitching was unable to get here to hold service Sunday evening on account of his horse being taken seriously ill with paralysis. J. W. stayed with his faithful "Billy" all night. Instead of the usual service a League service was held, Wm. Howard leading the meeting. Don't let the mud keep you away from the S. S. entertainment and Xmas tree on Friday night. You'll forget all about the mud after you get there. A good program is being prepared. There was school again on Wednesday. J. A. Warlett spent last week in Hamilton on business. Mr. and Mrs. R. A. McCarter of Jarvis spent Monday last at the home of the latter's parents, Mr. and Mrs. Geo. Irwin. Mrs. Sandy Smith of Hamilton visited last week at the home of Jan. Bush. Frederick Kitchin of Tyrrel visited his sister, Mrs. Geo. Irwin on Monday. On Friday evening, Dec. 15th, a surprise party was held at the home of William Howard's for Mr. and Mrs. Geo. Irwin when about thirty of their young friends presented them with a variety shower of many beautiful and useful presents. They left after spending an enjoyable evening with the best wishes for their future welfare. A man is never too old to learn that he knows a lot of things he should forget.

We are very much in need of snow to cover up the mud. Hugh Newell attended the sale of the church and shed at Bethelam one day last week. Gordon Ainsley has greatly improved his farm by building a wire fence along the road.

Garnet.

The annual Entertainment at Garnet Public School took place on Wednesday evening 13 inst, notwithstanding the unfavorable condition of the roads a large number were present to enjoy the excellent program. According to the usual custom the money which was contributed—a very creditable sum—has been forwarded to that worthy charitable institution, the Hospital for Sick Children, in Toronto. A very pleasing feature of the evening's exercises was the presentation of an address by the scholars to Miss Green the popular teacher of the school. The address was accompanied by a very handsome gift, consisting of hand-painted China and large tray of burnished brass. The Sunday School Anniversary Services of Garnet Methodist church were held last Sunday. The pastor, Rev. A. C. Eddy, addressed the children and the evening's exercises were the presentation of an address by the scholars to Miss Green the popular teacher of the school. Hair Beautifier

Refined Women the World Over Use It

Every woman knows there is nothing so good for hair and scalp trouble as Parisian Sage. If Parisian Sage is used two or three times a week it will keep the scalp nice and clean and remove dandruff. It makes the hair lustrous and fluffy, and keeps it from falling out. We urge every woman who loves radiant and fascinating hair to go to T. E. Morrow to-day and get a large 50 cent bottle of Parisian Sage. He guarantees it to cure dandruff, falling hair and itching scalp, or money back.

Santa Claus' Mail

The postoffice department recently made the curious mistake of supposing that Santa Claus was a fictitious person. In fact, it got the idea, in some way, that he did not exist at all; that there was any such thing as Santa Claus. And so it ordered that all mail addressed to him, be destroyed or returned to the sender. The mistake probably arose from the fact that the old gentleman is undeniably a little careless about calling for his mail. Letters addressed to him sometimes remain for a considerable time unclaimed, and cases have been known in which he never received them at all. And since he never receives his mail, and has so many different addresses, his mail cannot well be forwarded. The mistake, however, was soon rectified. Hundreds of persons wrote to say that they not only knew Santa Claus and where he lived, but had often helped him distribute his presents at Christmas time, when he was enabled to see his mail, and at once ordered the mail received. So this year, as in the past, Santa Claus will get his mail. If the Postmaster-General does not happen to see him within a few days after a letter comes in, he will put it into the hands of some benevolent person who will see that Santa Claus receives it, and he is going right up by then.

A Gift with a Thought in It

What other Christmas present costs so little and means so much as a subscription to The Youth's Companion—52 weeks to any Canadian subscriber for \$2.00. It is a gift which benefits not only the one who receives it, but every member of the same household. With many Christmas presents the sense of novelty wears off by the week's end, but The Youth's Companion is as new and sought after the fifty-second week of the year as the first. It is elastic in its adaptability, too; for it does not matter whether the present is for a boy or a girl, young married people, sensible couples, grandparents—there always was one yet who did not get out from The Youth's Companion. You cannot make a mistake if you give The Youth's Companion and it is only \$2.00 a year now to Canadian subscribers. On January 1, 1917 the price will be advanced to \$2.25. The one to whom you give The Youth's Companion will receive free The Companion's Calendar for 1917, lithographed in ten colors and not only you, too, as giver of the subscription, will receive a copy of the Calendar.
