The Record would greatly appreciate the courtesy of its many friends in the country in sending in any news they may have. Visitors, social gatherings, etc., are always welcomed and with the large number of rural phones in this district there should be no inconvenience in calling the Record and giving the news. We do the rest. If you have results or an experience, which shows how splendid a district this really is, send it in. If you have had special results in stock raising, do not be bashful in letting others know of it. The Record is anxious that the farmers should make their own paper. We are grateful for the generous assistance in the way of subscriptions. The farmers stand by the Record and we would like to reciprocate by making it a paper which would voice the farmer's view and give the news of interest to all.

## Obituary

After an illness of about three weeks Emily Hartwell, beloved wife of Henry Jackson, one of our merchants, passed peacefully away on Friday, Feb. 3rd, 1911 in her forty-seventh year. The funeral took place on Monday, Feb. 6th. A short service at the house was followed by a memorial service in the Methodist church which was largely attended, although the weather was exceptionally cold and stormy. The Rev. A. C. Eddy at the conclusion of his address referred to the various departments of church work with which the deceased had been associated and also to the unassuming, kindly, devoted Christian spirit which had characterized her in the discharge of life's duties and responsibilities. Among the many who contributed floral offerings were the L.O.F. lodge, Ridgely encampment, No. 52, and Subordinate No. 191 (a pillow of pink roses) Mr. W. M. Alderson of Toronto (a pillow) Ladies' Aid and Adult Bible Class of the Methodist church, Miss Lewis, Miss McNeilly and Mrs. A. S. Benn, Mr. and Mrs. P. S. Benn and Miss Beryl Jackson of Grimsby. Interment took place in the Methodist cemetery, the following acting as pall bearers: Wm. Robinson, C. Nelson, Alfred Underhill, Albert Meehan, John Harvey and James Priest. Besides her husband and daughter Phoebe, Mrs. Jackson is survived by her father and mother, Mr. and Mrs. John Hartwell, her sister, Mrs. Marshall Priest, all residing in Jarvis; also Mrs. Thomas Debback of Almy, Mich., and Mrs. David Finton of Hamilton, half-sisters, and Abram and John Hartwell of Akron, Mich., brothers. To the husband and daughter, to the invalid father, to the mother and other relatives the Record extends sincerest sympathy.

## Annual Meeting of the Canadian Seed Growers' Association

The annual meeting of the Canadian Seed Growers' Association is announced for Thursday and Friday, Feb. 16 and 17. An especially attractive program has been prepared and all who are interested in crop improvement, whether members of the Association or not, should make an effort to attend at least some of the sessions. Thursday afternoon, reports will be received from the Board of Directors, the Sec'y-Treas. and the district representatives of the Seed Branch. Thursday evening, addresses will be delivered by Dr. J. W. Robertson, President of the Association, and Prof. C. C. James, Deputy Minister of Agriculture, Toronto. The sessions Friday will be mostly devoted to a discussion on plant breeding and seed distribution as carried on in Scandinavia. Mr. L. H. Newman, Sec'y of the Association, has been at Svalof, Sweden, since last May and has been an exceptional opportunity to collect information on this subject. He will present papers on "Plant Breeding in Scandinavia" and "Systems of Multiplying Improved Seed Stock in Europe." A paper on "Improvements of Fodder Plants by Selection" will be presented by M. O. Malte, Ph.D., Seed Branch, Ottawa, formerly on the scientific staff at Svalof and has made a specialty in the study of grasses and fodder plants. Provision has been made for a free discussion on these papers and they should be the means of bringing out much valuable information on the application of European methods of plant improvement to conditions in Canada.

## Hospital for Sick Children

Toronto, Jan. 7, 1911.  
To Reeve, J. J. Parsons, Walpole Tp.  
Dear Sir,—I am again appealing to you for help for the Hospital for Sick Children, Toronto.  
Remember this charity is not a Toronto Institution in any sense of the term—it covers in its work all of Ontario.  
It is open free to every sick child in your township whose parents, on certificate from you or the Clerk, are unable to pay.  
Surely this will commend our cause to your Council.  
Last year we had 1,155 in-patients, 383 were from 267 places in counties outside Toronto.  
Sixty-five per cent. of the patients are treated free and we have therefore a large deficit on maintenance account. Will you help us to pay this off and aid us in our work for the coming year?  
We appreciate what you have done for us in the past. Might I ask you to do a little better for us this year and send us some more help and support?

Yours faithfully,  
J. Ross Buchanan,  
Chairman of the Trust.
