6-Year-Old Girl

Cured of Kidney Trouble

Mrs. Alex. Moore, of James St., Oxford, N.S., says: Booth's Kidney Pills cured our little daughter, Christina, aged 6 years, of many symptoms of kidney weakness. She complained of a sore back, the kidney secretions were frequent and uncontrollable, especially at night. Her stomach was weak and her appetite poor. This caused her to have frequent headaches, and the least exertion would tire her. We had tried many remedies but she did not improve. Finally we learned of Booth's Kidney Pills and procured a box. In a short time she was well and does not now complain about her back, the kidney secretions have become normal, and she plays around the house with no apparent fatigue. We always recommend Booth's Kidney Pills."

Booth's Kidney Pills carry a guarantee that if you derive no benefit your money will be refunded. Booth's Kidney Pills are a specific for all diseases of the kidneys and bladder. Sold by all druggists, 50c box or postpaid from the R. T. Booth Co., Ltd., Port Erie, Ont. Sold and guaranteed by T. E. Morrow.
