A general meeting of the members of the Walpole Farmers' Mutual Fire Assurance Co. will be held in the Temperance hall, Jarvis, at one o'clock, on Saturday, Jan. 21, 1911, for the purpose of submitting statement of affairs, electing Directors, and fixing their remuneration; also to discuss the question of buying or building a suitable place for a permanent Head Office. Members are earnestly requested to attend. By order of the Board.—George L. Miller, Secretary.

At the first meeting of the Jarvis Public School Board for 1911 the board decided that on account of the greatly increased work that it was advisable to have a Secretary-Treasurer independent of the board and one to whom the salary would be paid. In consequence of this decision they appointed Mr. James Noble as Secretary-Treasurer for 1911 and he has accepted the position. The Board passed a hearty vote of thanks to the retiring Sec'y-Treas, Mr. J. Y. Murdoch, for his services during the past five years.

As advertised the club had its opening meeting on Tuesday evening. The banquet provided was thoroughly enjoyed and capped by the fine program that followed. The President acted as chairman, which he did in a most able manner. The speeches by the resident ministers, also by J. C. Sanderson, Geo. L. Miller, Wm. Parkinson, C. H. Nelson and R. Walters and music by some of the members were highly appreciated. The executive will endeavor to provide some amusement for next Tuesday evening.

**Church Notes**

**METHODIST CHURCH**

The social and literary evening last Friday night proved most interesting. Readings were given by the pastor and Miss Johnston, a solo by J. Hunwick and a duet by Misses Mabel Parkinson and Pearl Roberts. The debate on the subject "Resolved that what we read has a greater influence than public speaking" was opened by William Macbell in the affirmative. Charles Stallwood followed, upholding the negative side of the question. Ainsley Jackson supported Mr. Macbell and in the absence of J. Meehan Rev. Eddy spoke on the negative side. Charles Walters, Mrs. Albert Meehan and Miss Johnston, who had previously been elected judges, gave their decision in favor of the affirmative by declaring that 22 points had been won by them and 20 by the negative. The decision was followed by a good cheer and expressions of kindly congratulations.

The annual meeting of the Lord's Day Alliance was held in the school room of the Methodist church, on Saturday evening of last week. Rev. Canon Belt, President of the local branch, occupied the chair. Rev. W. G. Hanna, B. A., Provincial Secretary, gave an address of exceptional interest concerning the work of the society. The President, the Secretary, Treasurer, Mr. B. Allen and the other officers were re-elected.

The monthly meeting of W.M.S. was held at the parsonage yesterday "The Religion of China" and other phases of missionary work were discussed. A meeting of the Ladies' Aid was also held.

Mr. Eddy's subject next Sunday morning will be "a special call to the young men of the Methodist church for special service."

The evening service next Sabbath Jan. 15, will be withdrawn in favor of the anniversary services in the Presbyterian church.

The date of the Anniversary Services in connection with this church has been decided upon, viz: Sunday Feb. 12. Rev. J. C. Wilnot, M.A., who was pastor when the church was built has consented to preach.

**ST. PAUL'S CHURCH**

The W. A. and A.Y.P.A. have both resumed their meetings.

Canon Belt will begin next Sunday morning a series of sermons on "The Kingdom of Heaven" and in the evening on "Character Building." At the Bible study in the afternoon "The Life of Christ," will be studied.

**Warning**

We notice in The Family Herald and Weekly Star of Montreal the publishers are warning their readers whose subscriptions expire this month to renew at once. The renewal orders and new subscriptions pouring into that Office every day are a sight to behold. In their prospectus for 1911 the Publishers promise some wonderful improvements that will make the paper even greater value than ever before, although it has always been recognized as the greatest dollar's worth to be had. Every home in Canada will be the better of The Family Herald and Weekly Star as a regular weekly visitor during 1911.

**Mid-Winter Fiction.**

A roaring fire, a comfortable chair, a magazine, and let the weather outside be what it will it cannot spoil a winter evening's enjoyment.

January number of Canadian Home Journal contains a number of stories that will make the evening pass all too quickly. "The Ontarnal Sarpant" is an amusing character sketch of a happy-go-lucky Irish family. Johnnie Cochran's enjoyment and misuse of big words, as well as a hint at his past and his reclamation are contained in his account of his wife's last words. She says to me "Johnny forsake the Ontarnal Sarpant. Keep a home for the little children and keep them clean!" I have determined to carry out my wife's wishes. I have forsaken the Ontarnal Sarpant which has possessed me, and I am after a cake of soap and a fine comb to carry out my wife's destruction.

Western girls learn self dependence, to decide quickly and act promptly. It would not be possible for Gertrude Powell to remain inactive when Jack Sprague was in trouble and lying witnesses testified against him. What she did is told in "The Law and the Lady," by Wable M. Clement.

Grace E. Denison (Lady Gay) in "An After Dinner Sensation" tells of the very light coffin and the lady who enjoyed life many years after she was thought to have been buried and who very effectively repaid old scores. "Jeanne of the Marshes" the serial by E. Phillip Oppenheim is maintaining interest. There is a mystery suggested but what?

**Christmas Entertainment**  
**St. Paul's Church S.S.**

The entertainment held in Chamber's Hall, on Wednesday evening, 4th inst., was a most successful one. The Young People of All Saints' Parish, Hagersville, kindly drove over and helped very materially by giving "Dosing the Doctor," and "Old Maids Matched," which was much enjoyed. The talent displayed by the pupils of St. Paul's Sunday School gave much pleasure to those present. The Broom Drill, by twelve girls under the direction of Mr. Stacey Burwash, was splendidly done, especially when the short time spent in the preparation is taken into consideration. The dialogues, recitations and songs were of the best and the thanks of the officers and teachers are due to all those who took part. Mrs. Murdoch and Miss Ethel Snyder kindly sang, while the Misses Margaret Allen, Lizzie Cade and Laura Belt gave recitations.

The following received prizes:— Girls, 1.—Laura Belt, Ellen Lewis. 2.—Pauline Harris, Susie Phibbs Stella Phibbs, Lily Mason, Ida Mason. 4.—Bertha Ward, Maggie Ward. Boys, 1.—Leighton Holmes, Jasper Harris, Harry Peart. 2.—Tom Belt, Fred Mason, Alfred Wendland, Ralph Phibbs.

Beginners—Don Belt, Frank Eaid, Lena Reynolds, Walter Sherman, Albert Mason.

Candies were distributed to all the scholars and the concert came to an end.

**Bearing Down Pains**

What woman at some time or other does not experience these dreadful bearing down pains. Mrs. E. Griffith, of Main St., Hepworth, Ont. says: "A heavy bearing-down pain had settled across my back and sides I was often unable to stoop or straighten myself up. Many times each night I would have to leave my bed with the irregular and frequent secretions of the kidneys and just as done out in the morning as on retiring. I was languid and would have to let my housework stand. Nothing I had tried would benefit me. I learned of Booth's Kidney Pills and concluded I would try them, which I did, and soon found the long sought relief. My back strengthened and I began to feel better and stronger. I now enjoy my sleep without being disturbed and feel grateful to Booth's Kidney Pills for what they did for me."

Booth's Kidney Pills are a boon to women. She would know less of backaches if she took more of these wonderful pills. They are nature's greatest specific for all diseases of the kidneys and bladder. All druggists, 50c. box, or postpaid from The R. T. Booth Co., Ltd., Fort Erie, Ont. Sold and guaranteed by T. E. Morrow.

After all had done justice to the excellent supper Mrs. J. J. Parsons, the President, took the chair and called the assembly to order and the following program was carried out: Piano solo, Miss Williamson; Song, Miss L. Allen; address, Andrew Rodgers; violin solo, Bruce Hare; Paper, "For Home and Country," Mrs. A. Meehan; Address, J. J. Parsons; recitation, Mrs. T. M. Beamish; address, R. A. McCarter; song, C. H.
