The Enlarged Basement has been Successfully Opened

Last Saturday The Right House basement containing about 12,000 square feet of selling and display space was informally opened with an immense sale of guaranteed, four coated, SEAMLESS Enamelware. Thousands of Housewives became acquainted with our superior Enamelware stock through this sale. If you are not one of the fortunate ones who is able to attend this remarkable selling, bear in mind to visit The Right House basement on your next trip to Hamilton.

RETURN RAILROAD OR ELECTRIC CAR FARES REFUNDED ON A LIBERAL PLAN

THOMAS C. WATKINS, LIMITED,

King and Hughson Streets, HAMILTON.

Got A Dollar? If Not, Fifty Cents Will Do.

Where can you get a great metropolitan newspaper for fifty cents a year? But the publishers of Canada's great national newspaper, the Montreal Witness and Canadian Homestead, will send their paper to you on trial for one year for only fifty cents, or the Daily Witness for only one dollar for one year, on trial. These offers are only open to those who have been taking neither the Daily Witness nor Weekly Witness.

The Witness has only just decided to offer these bargains to genuine new subscribers, and the publishers agree to refund the full money to any subscriber who writes them in a month that he or she does not like the bargain. That's fair, is it not? The Witness is an up-to-date newspaper. Its splendid stories are alone worth several times the price—and its editorials are history making and unparalleled. The Witness, Canada's great national newspaper, is, as everyone knows, always fair and square and fearless. During its jubilee, just celebrated, newspaper and public men of every province have made remarkable tributes to the value and enterprise of the Montreal Witness. We have only space for one of them and will quote the Hon. Sidney Fisher, the Canadian Minister of Agriculture, in congratulating the Witness on the occasion of its jubilee:

"I have taken the opportunity of saying to many people that I consider the Montreal Witness the best managed newspaper in Canada, for this amongst other reasons—that it is thoroughly interesting and fearless in its expressions and its principles are broad, generous, and in the public interest, and sound economically in public affairs."

The Witness should be in every home. Remember NEW subscribers may have the Daily Witness on trial for the year 1911 for only one dollar (\$1.00), or the Weekly Witness and Canadian Homestead, on trial for one year, for only fifty cents (50c). Address our subscription at once to the publishers, John Dougall & Son, Witness Block, Montreal.
