## Fatal Accident

A very sad accident occurred on the farm of Mr. James Miller, near Cayuga, on Monday afternoon.

William H. Miller, aged 35 years and a son of James Miller, lost his life. There had fallen into the well a small piece of plank and William started down to get it out, and when about half way down to the water he was overcome by gas and fell to the bottom. His father was at the top of the well and called to his son Edward for assistance, who ran at once and went down into the well, but was also overcome by the deadly gas. Other help was soon at hand and a couple of persons went down (the gas having by this time somewhat disappeared) and got Edward out, who was unconscious and to all appearances dead.

The body of William was not secured for some time after, his body having sunk into the water. Dr. Newell was at once phoned for and soon arrived on the spot and after working at Edward for quite a long time brought him around, although he is quite sick yet from the effects of gas. The well was an old stone one about twenty feet deep and had been bored, the water standing in it to the depth of about four feet.

Wm. H. Miller was prominent among the young farmers of Haldimand county. He was Worshipful Master of King Solomon Lodge, A. F. & A. M., of Jarvis. The lodge took charge of the funeral, which took place at Port Dover to-day. Deceased was shortly to have been married.

## Has Resigned

Dr. Holmes, who has lived for the past 11 years, first as assistant and then as Medical Superintendent on the Six Nations Reserve, has resigned, the same to take effect on August 1st. The post is worth \$2,800 per annum with \$300 allowance for drugs, or \$3,100 in all. Out of this the Doctor has to supply an assistant and keep his own horses. It is understood that Dr. Holmes intends to go west and practice in Edmonton. He has been efficient and popular on the Reserve and without doubt will make good in his new home.

## CHURCH NOTES.

### METHODIST CHURCH

The members of the Workmen Lodge attended service on Sunday, June 11th. The pastor took as his subject "Nearness to God," his text being in the 73rd Psalm v. 28. The choir rendered appropriate music.

"Backsliding" is the topic at to-night's service. Everyone cordially invited to be present. The committee appointed by the Ladies' Aid to arrange for the Strawberry Festival on the evening of Coronation Day (June 22nd) will meet at the close of the meeting.

The pastor's text next Sunday morning (June 18) will be "Remember my Bondsmen." In the evening he will speak on "The Coronation."

## SPEAKERS

Mrs. W. B. Ferguson, Strathroy, formerly Miss Agnes Smith of Hamilton, since giving up work as a Departmental delegate some four or five years ago, has been active in the local organizations, and the Department is fortunate in securing her for a regular series of meetings this season.

Scientific training in Domestic Science and Dairy practice, experience on the farm, and her ability to present information in a pleasing forceful manner insures effective work on the part of Mrs. Ferguson.

Subjects:—"The Conveniences and Labor-saving Devices we may have in our homes"; "Butter-making in the Home"; "Health a Duty"; "The place our Institute may fill in our lives"; "The value and power of the ideal"; (a) In the Individual; (b) In the Home; (c) In the Community.

Miss R. A. Walsh, Orono, has been an active worker in the Institutes. She is a practical, experienced housekeeper, and will deal with the subjects announced from the standpoint of a practical woman.

Subjects:—"The girl who is attractive—her influence in the home"; "Hospitality: The ideal hostess and guest"; "Table setting and serving"; "Helps from the Institute"; "Canadian Citizenship."

The evening meetings will be interspersed with choice vocal and instrumental music. All welcome. Meetings will begin at time announced. No charge.

Mrs. Burne, Caledonia, District President; Mrs. O. Warner, DeCewville, District Vice-President; M. W. M. Thompson, Canfield, District Secretary.

## Field Crops in Canada

Ottawa, June 10.—A Bulletin of the Census and Statistics Office issued to-day states that the season this year has been favorable for field crops in all parts of Canada, and excellent reports have been received from all the provinces. The lowest percentage of condition is made for wheat, which suffered from inadequate protection in the winter months, and also to some extent from spring frosts. The areas of fall wheat are greater than last year by 1.50%, and of spring wheat 13.70%.

The total area in wheat is 10,503,400 acres, as compared with 9,294,900 in 1910 and 7,750,400 in 1909. The per cent condition of fall wheat at the end of May was 80.83 and of spring wheat 96.69. The area in oats is 10,279,800 acres and its condition 94.74, as compared with 9,364,100 acres and 93.93% condition last year. Barley and rye each show a small decrease in area, but the condition is higher than at the same period last year. Slight decreases are also reported for areas of peas, mixed grains, and hay and clover, with per cent condition of over 90. Hay and clover have a reported condition of 91.45 for the Dominion, being practically 100 in Manitoba, Saskatchewan and Alberta.

The area of the field crops named is 32,051,500 acres for 1911, compared with 30,544,200 acres for 1910 and 28,194,900 acres for 1909. In the provinces of Manitoba, Saskatchewan and Alberta the area in wheat, oats and barley was 3,491,413 acres in 1909; 6,009,399 acres in 1910; 11,952,000 acres in 1909 and 12,909,300 acres in 1910 and it is 15,355,500 acres this year. The increase of the crops from 1909 to 1911 and 1,863,699 acres in Manitoba, 7,364,315 acres in Saskatchewan and 1,336,973 acres in Alberta.

## Premier and President

(Harper's Weekly.)

The two men who bid fair to get the most glory out of the reciprocity Laurier and Taft; and it is only just that this should be so. Secretary Knox and the Canadian commissioners should share in the credit. So should Champ Clark and Oscar Underwood, and so should Mr. McCall, who led the Republicans who supported it. But the main responsibility for the policy rests on the shoulders of the American President and the Canadian Premier. They will be blamed if the policy is finally condemned. They must have the chief praise if it is finally approved. They not only took the initiative but they have both pressed the fight with courage, firmness and good sense. Last week Sir Wilfrid again showed his good sense by his admirable speech at the dinner of the colonial premiers in London. In denying the danger of annexation he did not fall into the error of professing any other than the most friendly and neighborly sentiments toward this country. On the contrary, he eloquently rejoiced in the fact that the long boundary line, although he desires it to continue, has not on either side of it a fortress, a soldier or a gun. President Taft has repeatedly struck the same note. An English Tory paper tried hard to work itself into a rage over an alleged impropriety in his reference to the system of colonial preferences, but the effort fell exceedingly flat. In both countries the leadership in this matter has been statesmanlike and fine.

Whooping cough is not dangerous when the cough is kept loose and expectoration easy by giving Chamberlain's Cough Remedy. It has been used in many epidemics of this disease with perfect success. For sale by all dealers.

## Obituary

On the 29th of May Mr. Neil McNeill, of the 6th concession of Woodhouse, passed to his eternal rest. The deceased had been in declining health for several years, it being seven years since he had the first attack of the disease which ultimately caused his death. The funeral took place on Wednesday, May 31st, the large attendance being indicative of the high esteem in which the deceased was held by his neighbors and friends. The service was conducted at the family residence by Rev. D. M. Buchanan, pastor of Knox church, and the remains were subsequently interred in Oakwood cemetery, Simcoe. The late Mr. McNeill was born at Stronach, Austrin County, Ireland, on September 30th, 1826. Eleven years afterwards his parents, with their family, immigrated to Canada and after residing for one year in Simcoe settling on the farm in Woodhouse, on which the deceased was reared and on which he resided until his death. The deceased was quiet and unassuming in his disposition but always found his delight in the path of righteousness and faithful Christian service. He was a devoted member of the Presbyterian church and always took a deep interest in the work of his church. In 1870 he was elected and ordained an elder of the church and thus for nearly 35 years he held that sacred office. For many years he was a faithful teacher in Knox church Sunday school and seven years ago at the time when he was first stricken by the fatal malady—he occupied the position of Superintendent of the School. In the domestic circle Mr. McNeill was kind and highly esteemed. In the year 1861 he married Miss Mary Jane Abraham, daughter of the late Mr. Joseph Abraham and besides the widow, there are left to mourn the loss of a kind husband and father the following family: Helen, Annie and Robert at home; Joseph in the Isle of Reine, John in Alberta, Thomas in Hamilton, Neal in Saskatchewan, Mrs. Robert Nixon (Rachel) and Mrs. Wm. Mickle (Mary) of New York.

## Walpole Council

Council Chamber, June 6, 1911

The Council met pursuant to a call by the Reeve. All members present. Reeve J. J. Parsons in the chair. Minutes of last meeting and a special meeting were read and adopted.

Holbrook—Falls—Resolved that we do now adjourn for Court of Revision with J. J. Parsons in the chair.

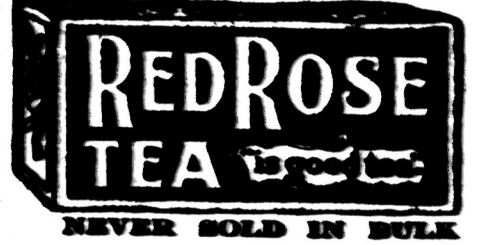

There were only three appeals to be considered by the Court of Revision. Two were dismissed and the other being the appeal of The Dominion Natural Gas Co. re their Assessment on the Pipe Line on the Town Line, between Walpole and Rainham. Mr. Sweet, barrister of Brantford, appeared on behalf of the Dominion Natural Gas Co. Mr. Sweet stated that his object in appearing before the Court was not to find fault with the amount in which they were assessed for, but owing to a recent change in the Assessment Act of the assessment of gas pipes lying on the highways between different townships, he wished to have the assessment made in accordance with said Act. The result was their assessment was increased in the township \$975.

The Court after authorizing the Clerk to make the necessary changes on the Roll, then adjourned.

The Council then resumed general business. Holbrook—Roulston—that the following accounts be paid: Wm. Aiken, painting con. 8 bridge and supplies..... \$ 3.00 W. R. Werner, grading Deal bridge 1.50 W.
