SEEDS FOR SALE

We are now in a position to offer the best quality of

**LUCER RED CLOVER, ALSIKE, TIMOTHY
LAWN GRASS AND MIXED SEEDS**

That has ever been offered here. We are taking the trouble of forwarding to the department for analysis and we are only going to sell seeds that will comply with the Government Act, and we ask the farmers to see our seeds before they buy, as the new Inspectors' Act comes in force April 1st and is a very right one. We advise the farmers to take pains in showing their seeds.

Bearing Down Pains

What women at some time or other does not experience these dreadful bearing down pains. Mrs. E. Griffin, of Main St. Hagersville, Ont., says: "A heavy bearing pain had settled across my back and sides. I was often unable to stoop or straighten myself up. Many times each night I would have to leave my bed with the irregular and frequent secretions of the kidneys and just as done out in the morning as on retiring. I was languid and would have to let my housework stand. Nothing I had tried would benefit me. I heard of Booth's Kidney Pills and concluded I would try them, which I did, and soon found the long relief. My back strengthened and I began to feel better and stronger. I now enjoy my sleep without being disturbed and feel grateful to Booth's Kidney Pills for what they did for me."

Booth's Kidney Pills are a boon to women. She would know less of backaches if she would take more of these wonderful pills. They are nature's greatest specific for all diseases of the kidneys and bladder. All druggists, 50c. box, or postpaid from The R. T. Booth Co., Ltd., Fort Erie, Ont. Sold and guaranteed by T. E. Morrow.
