## Sale of Whitewear for Women

—:— And Misses —:—

Thursday, Friday and Saturday of This Week

WEEKS ago we started to get ready for this big sale. We know that hundreds of women, at the first soft days in March, would begin to think of new Whitewear. What we wanted was something to induce early buying. From factory to factory went our buyer—spot cash in one hand and order blanks in the other. Wherever he found a lot of good Right House quality Undershirts, or Drawers or Night Gowns, etc., that were left over after supplying the demand, or that were cancelled orders, etc., he promptly paid over his cash and the goods were sent on to us.

This is a Sale that Rivals with the Annual January Sale in its Volume

The result of this widespread travelling and buying is a \$10,000 lot of beautiful, new immaculate Whitewear. This we intend to sell on Thursday Friday and Saturday of this week (just when you planned to be in Hamilton) as far below the price ordinarily asked for such high quality, good laundering, finely finished garments. The following prices are mere samples of what you can expect on the second floor on Thursday, Friday & Saturday of this week.
