How to Buy Furniture, Sewing Machines, Carpets, Curtains Ice Boxes, Etc., Through The Right House Club Plan

In the first place, it is not to be confused with any installment plan. It is a dignified system of monthly deferred payments through which the purchaser gets the use of the article while paying for it.

THE PRICES YOU PAY in this club are exactly the same as those charged everyone—the price marked plainly on each ticket.

**DETAILS OF THE NEW CLUB PLAN**

For every \$25.00 worth purchased (or for any fraction of \$25.00 worth purchased) your monthly payments will be \$4.00. Thus if you buy \$18.00, \$19.00, \$20.00 or \$25.00 worth, you may pay us \$4.00 as your first month's club fee. It will apply on the price, as will the other \$4.00 monthly payments. If you buy \$30.00 worth (or any amount up to \$50.00) your monthly payment will be \$8.00. And so on up the scale.

THE EXTENSION OF CREDIT in this way is nothing more than an application of the credit system that exists between banks and the business houses of the world. No need to feel that you will suffer any loss of dignity, or that collectors will bother you.

SEWING MACHINES, \$2.00 down and \$4.00 per month.

Through our MONTHLY DEFERRED PAYMENT PLAN it is possible to purchase the celebrated "Standard" Sewing Machines at The Right House for \$2 down, \$4 per month.
