The two entertainers which appeared in the Music Hall, Jarvis, on the evening of May 24th, were greeted with a good house, in fact the hall was thoroughly taxed to its seating capacity and many were turned away. Geo. L. Miller acted as chairman and filled the bill well and to the satisfaction of all, while Mrs. G. B. LaPan excelled herself as accompanist. Walter Edwards, Comedian, delighted the audience with his songs and funny stories and responded willingly to various encores. Miss Evelyn Mae Davis, the elocutionist, favored her hearers with several well-rendered selections and won the admiration of all. "The Bridge of Sighs" and "The Little Hero" were exceptionally bright numbers.

## Drowning Accident

A sad drowning accident happened at the lake near Sandusky creek on Monday evening, about 10 o'clock and Jonas Hoover, brother of A. B. Hoover, the fisherman of Nanticoke, was drowned. It seems that Eli Murphy and Jonas Hoover were out in the lake spearing carp and in some way the boat was capsized, throwing them both in the water. They swam ashore and as they wished to secure a boat from the opposite side of the creek Mr. Hoover attempted to swim across the creek for the boat, but sank before reaching shore and was drowned. It is supposed that he must have taken a cramp as he was a good swimmer. The body was not recovered until about four o'clock Tuesday morning. The Coroner was notified who deemed an inquest unnecessary. The body was removed to Mr. Wheeler's house and prepared for burial by undertaker Beam, then removed to the home of his father, Absolam Hoover, Raiham.

## Victoria Day Celebration

May 24th came in again this year with threatening weather, the sky being cloudy and rain came shortly after twelve o'clock, which no doubt dampened the spirits of people from celebrating at Jarvis. There was quite a large crowd, however, on hand and the celebration was a success in every way but financially, but the committee will have over \$75.00 to add to the Improvement Association's funds.

The 37th Battalion Band furnished music during the day in a satisfactory manner.

The different horse races were well attended and some excellent races took place. The football games between Renton, Springvale and Hartford were very interesting and all the sports advertised to take place were held and enjoyed by the sight-seers. ## A Narrow Escape

Buffalo Sunday News

F. R. Lalor, M.P., with Mrs. Lalor, H. L. Mitchell, and several others of Buffalo had a narrow escape from drowning in the Niagara River at the International Ferry landing at the foot of Ferry Street Saturday afternoon, May 13, when the big touring car, in which they were seated, slid down the grade and crashed through the gates on the dock. Only the intervention of a post at one side of the gate prevented the car from going over the dock. As it was when the momentum of the auto was checked, one wheel was hanging over the edge of the dock. The front of the car was badly damaged and the occupants were considerably shaken up. Mrs. Lalor was taken to the home of her son-in-law, H. L. Mitchell, at 59 Aryle Park, in a state of prostration.

When the car started down the incline, which is possibly at a grade of 30%, Mr. Lalor was wedged in behind numerous grips and parcels, which was the reason for his asking the chauffeur to get the speed, there were only two small slat gates to stop the car's progress, more to stop the progress of foot passengers past the entrance than a vehicle weighing a ton and a half. There is, it is said, 150 feet of water at the edge of the dock.

Mr. and Mrs. Lalor were spending the day in Buffalo as guests of their son-in-law and were on their way back to Dunville when the accident occurred. With Mr. Mitchell and several friends they drove down to the ferry, intending to drive back through Canada. The car was stopped on the dock just below the bridge and the chauffeur jumped out to get the tickets. The brakes were set, but there is a steep grade at the point and the car's weight carried it down the incline.

It is the fact that one of the wheels caught on the post kept it from plunging into the river, as the ferry boat was not at the dock at the time.

Miss Sarah Abraham was in Hamilton for the holidays.

For soreness of the muscles whether induced by violent exercise or injury, Chamberlain's Liniment is excellent. This liniment is also highly esteemed for the relief it affords in cases of rheumatism. Sold by all dealers.

An item appeared in The Record last week saying Elliot & Deming had shipped ten cars of stock within the past two weeks. It should have been five cars of hay instead of ten cars of stock.

### Will History Repeat Itself

I was invited to speak at the Farmers' Institute in Jarvis in January, 1910. I replied, "I can learn more from others than I could teach others."
