Voting Machine

On Saturday we had the pleasure of witnessing the working of a very ingentous piece of mechanism—a voting maci ine. It is the product of C. S. Jackson other medicine so good for whoop of Bridgeburg, a man who has lost both arms, but whose brain is certainly very ing cough as Chamberlian's Cough keen and active. For many years there imagined how skeptical the people were of this new concern. But their minds have cleared and they have come to the conclusion that this voting machine will fill a long felt want. It is a secret ballot. Sir James Whitney, Premier of Ontario will discuss the leading political questions of the day. Adrooms where the representatives T. F. Edwards and C. H. Nelson will be pleased to demonstrate the workings of these two wonderful machines. We ask you to carefully read the large ad. on page four.

Double Accident

An accident-or a double accident-occurved on Saturday evening near Hagers-ville, which resulted in injury to Robert Carpenter a farmer living near Hagersville. The man was driving a horse at tached to a wagon loaded with flour, and seems to have fallen into a heavy sleep. The horse, left to its own will, turned onto the railway track, and had proceeded about 50 yards past the crossing, one mile east of Hagersville, when the express from St. Thomas came along, scooped up the ontfit, and threw the man, horse and wagon into the ditch. The train was stopped and backed to where the wreck was. The wagon was found to be wreeked the load spilled all around, the horse unburst and the man, still in a half stup r, demanding in vigorous language to know where he was. He was taken back to Hagersville and left in the care of a doctor. In the meantime the horse had wan-

Death of Mrs. R. L. Hasiett

Mother's chair is empsy and to-day beautiful life has gone out with the tide. Truly the old adage is verified: "In the midst of life we are in death." It was realized on Monday morning last when Mrs. Hobert L. Haslett was called to her eternal home, after a few hours illness. About a year ago she suffered a stroke but from this she regained her usual health and was always able to be up and about until Sunday evening, when at 10 p.m. she was again stricken with another stroke from which she succumbed on the above day. Deceased's maiden name was Mary Jane Parkinson, she being a daughter of the late Thomas Parkinson. About eighteen years ago she became the happy bride of Robt. L. Haelett and by their union five beautiful daughters brightened the hearthstone, Evelyn, Pearl, Edna, Olive and Ethel. Mrs. Haslett had attained the age of 46 years, 11 months and 15 days. She was a member of the Knox church and by her death we lose a genuine friend and her place in the home will be hard to fill as she was andideal wife and affectionate mother. It is a sad blow indeed to the husband and daughters and although it may be hard to keep back the scalding tears, may they be drawn closer to Him, who can and will be their Comforter. A mother, three brothers and three sisters, besides a host of relatives and friends survives the departed one. The Record extends its sympathy to the sorrowing ones. The funeral takes place Wednesday, Nov. 15th, 1911, at 2 p.m. from her late residence, Lot 10, Con. 9, Walpole, to Knox church for service and
