One step won't take you very far—You've got to keep on walking; One word won't tell people what you are—You've got to keep on talking; One inch won't make you very tall—You've got to keep on growing; One little "ad" won't do it all—You've got to keep 'em going.

Diarrhoea is always more or less prevalent during September. Be prepared for it. Chamberlain's Colic, Cholera and Diarrhoea Remedy is prompt and effective. It can always be depended upon and is pleasant to take. For sale by all dealers.

WHAT! Is Eddie Pigott coming to Jarvis again? Yes, under the auspices of the W.A.S. Well, the hall won't hold the people as everybody will want to hear him. This is what is heard on all sides and he will be here on the night of Oct. 4. The Hamilton Herald has this comment: "Eddie Pigott, the comic vocalist, gave the best satisfaction to the audience; his Scotch and Irish songs causing roars of laughter."

Some complaint has come regarding the giving of half the road in case of an automobile coming up behind a team. The parties claim that when they come up behind a fellow with a team he stubbornly refuses to give any of the road, no matter if there is plenty of room to turn out. Now the law recognizes the rights of both the man with the team and the man with the auto, and these rights should be respected. There are plenty of men who are running autos who should be driving on teams and vice versa, but all men should not be treated that way. The law says that when a man is overtaken by a motor vehicle he shall turn out and give half of the broken path.

There are very few "House for Rent" signs to be seen in our town. That is proof of growth and prosperity, but also an indication that more homes ought to be provided for the people who would move here, if houses could be rented. A number of cozy and attractive cottages that can be rented at a reasonable figure is what we need.

Every line in a newspaper costs the proprietor something. If it is for the benefit of the individual it should be paid for. If the grocer were asked to contribute groceries to one abundantly able to pay for them, he would refuse. The proprietor of a newspaper must pay for the free advertising if the beneficiary does not, and yet it is one of the hardest things to be learned by many that a newspaper has space in its columns to rent, and must rent to live. To give away rent for anything less than living rates is as fatal to a newspaper as for a landlord to furnish rent free.

Don't forget about the early closing. Read ad. in another column.

Picton Gazette.—"The honors of the evening, however, justly belong to Miss Cuthbert. Her clever dancing, humorous songs, and pleasing manner won the admiration of all. She is alone in her class as an entertainer. Her voice together with her elegantly appropriate costumes cannot fail to please." If you wish to hear this young lady go to the Music Hall, Jarvis, on the evening of Oct. 4, under the auspices of the W.A.S.

Charles Morrison and daughter, Miss Jean, of Brooklyn, N. Y., are visitors at the home of James Noble, and with other friends in town. Mr. Morrison acted as station agent for some fourteen years, but left here about twelve years ago. His old friends wish that he may be spared to enjoy many years of health and plenty.

Some people never hand in an item of news for publication, but if we happen to miss an item in which they are interested they are sure to hand us a north pole stare that would freeze the liver of a polar bear. Have you any news, tell the editor and he will serve it in a la mode. In case you do not happen to meet him, the telephone or the mail. You will be helping to make your town paper of greater interest and thereby serve the general community. Whatever news may interest you, must surely interest many others.

The last but by no means the least feature of the day will be the concert on the evening of Oct. 4th. Weather permitting we will see one of the biggest crowds ever seen in Jarvis. For an Honest Election

The Attorney-General's Department of Toronto has agreed to send to the County on election day Government officers and detectives to see that the election law is properly enforced. Some of these will act as scrutineers in the polling booths. Every elector can fully understand that the ballot is secret. No one will know how he votes, and if any officer or elector claims that he knows how an elector polled his vote he will be prosecuted.

We want an honest election, and with the co-operation of the Attorney-General's Department we see that we have one.

F. E. LALOR

"Laura, your tea is always so good!—and mine does vary so. What kind do you use?"

"Why, Red Rose!"

"Well, I must order some on my way home!"

Prunes will be high this year, and this boarding house staple will be scarce. The market is bare at the present time, and when they do come in it is expected that they will cost at least 15 cents a pound, if not a couple of cents more.

There is a habit and a delusion among a large number of our people to go to some nearby town or city to shop, believing that they can purchase cheaper. We think these good people may be bemoaned by their own thought. Please reckon you can fare and time, if the latter is worth anything. If our town merchants try to "hook" you or have not what you want, of course, you are justified to go elsewhere. But first find out by getting prices and see what your home merchants have.
