It is up to You

To protect your family from the ravages of disease and infection; and the rigors of winter; to make your home the abode of Health and Happiness. Statistics tell us that there were over 250,000 deaths in North America last year from fever and pneumonia, over 90 per cent. of these cases were traceable to out-door closets and all were the result of insanitary conditions. Are you going to allow this terrible death rate to continue.

The Man Inside of it is Ninety-Nine Times out of a Hundred the Best Thing About a Suit of Clothes

It is our faith in the Man that keeps us trying to make better Clothing to be in keeping with his personality.

Our Suits and Overcoats for Spring are Here

And our friends are invited to see them before making purchases elsewhere. We have found no reason to relax our old rule that all wool MEANS ALL WOOL. We have found a good many reasons for not relaxing it.

WE ARE READY with Men's Colored Worsted and Imported Tweed Suits and the Blacks and the Blues at \$10.00, 15.00, 20.00, and 25.00 that we are pretty sure you cannot duplicate at the same money. RIGHT HERE we will acknowledge the layout and equipment of our present Clothing Department is anything but good and does poor justice to the fine stock on hand but a little later on we will have a Clothing Department that you will be proud of. In the mean time we will do the best we can and offer some bargains in Clothing and other things that will compensate in a measure for the congested department in which you will have to come for them.
