## Closed For To-day Gone to a Picnic. Will be back To-morrow Greatly Refreshed

The Above Sign will be on our door Thursday. Wha-a-a-t, what's that? The FALLS Store to be closed all day and It's not a legal Holiday either.

It's this way, we have this summer, all of us and more of us than ever before, worked pretty hard, with larger stock to handle than usual, and in the same crowded Departments, and the same not any too well ventilated quarters, and still the clerks haven't lagged. We have heavy work before us and we feel this extra day's outing will do us good, so the whole store force is going to the lake. We are going early and we are going to stay late. We are going to drink Lemonade and eat Ice Cream and Cake, have a dip in the lake, rest under the trees and fill our lungs full of pure fresh air, those that baye wives will take them along and their children. Those that have sweet hearts (and most of them have) will come along too.

We are going to forget a hot crowded shop for one long day. We have been in business long enough to know, that no store ever lost anything, by giving its employees a treat now and then.

We want to be classed with the good merchant, and our idea of a good merchant is one that treats his customers fairly—and his employees.
