Herbert Teedle and family has left our burg and moved to Simcoe. What is our loss? Simcoe's gain? Chas. Duncan is spending a few days with friends in and around Walsh. N. J. Campbell spent a day with his sister Mrs. Arthur Walker at "Winding Hill" Woodhouse. Geo. Duncan, Jr. is spending a few days with friends at Port Ryce. Our Sunday School is still on the go and prospering. Miss Mary Harvey sold a fine bunch of fat cattle to Mr. Kohler of Cayuga on Saturday. Who can beat this? James Brock framed and raised a building 20x30 feet in one day for Hugh Newell. He also built two large bank barns this summer in our vicinity, which is certainly a credit to the owners as well as Mr. Brock. Ramer has it that we are to have rural mail early in the spring as a list has been around and signed by nearly all the farmers.

Rockford
