A tragedy near Belleville reveals  
the fact that in this province a girl  
of fourteen may become a wife, and  
her husband spend the first year of  
married life neither in an asylum  
nor a jail.

Frank Chambers, North Pelham,  
was found dead in bed, doctors  
certifying that his death was caused  
by choking. He was supposed to be  
the heaviest man in Ontario

Laura Jean Libby comes to the  
front with this glad Christmas  
advice. "Give kisses for Christmas,  
if you can't afford anything else."  
Laura probably means well, but the  
man who follows her advice is likely  
to find himself in a police cell in a  
much bugged up condition and with  
a lot of indignant pretty girls as  
complainants against him.

The Ladies Guild of St. Paul's  
church held a very successful bazaar  
on Thursday, Dec. 14, in Chambers'  
Hall. The fancy work, the candy  
counter and fish pond were well  
patronized and nearly everything  
was disposed of. The large table  
which was well filled with all kinds  
of farm products soon found ready  
buyers as did also the pastry counter.  
The tea was all that could be de-  
sired, as there was an abundance of  
everything to tempt the most deli-  
cate appetite, and much favorable  
comment was passed upon the boun-  
tiful spread. The proceeds amount-  
ed to in the neighborhood of \$100.

Some people may think that 1913  
is an unlucky number. But there  
is luck in odd numbers.

Mrs. H. Parsons and daughter

Never allow yourself to live for  
anything less than your highest  
ideal. If you do, you will deterior-  
ate.

In order to put a true estimate  
upon civilization one should pace a  
few heats with the Indians now and  
again.

In making everything snug around  
the house to repel the wintry blasts,  
do not make the place too airtight.  
A little fresh air won't hurt you.

There are so many dollars needed  
around Christmas that your gift list  
has to be pretty carefully revised in  
the interest of your pocket book.

The Christmas shopping season  
will soon be over. Really early  
shopping cannot now be done. But  
it should no longer be neglected.  
Do not leave to to-morrow what can  
be done to-day.

It is stated that 5,000 letters have  
been injured by the recent raid of  
suffragettes on mail boxes. That  
number would need to be manifold-  
ed many times to represent their  
wholly indefensible work.

Always pleasing and appropriate  
for gifts are boxes of good station-  
ery. A very attractive lot of extra  
values at 25c, 30c, 35c, 50c up to \$2,  
are shown at The Record Book  
Store. Call and see them.

The most appreciated Christmas  
gift is the one that lasts, and gives  
continuous pleasure. Nothing is  
more acceptable than a pretty pic-  
ture or a hand-painted card. Call  
and see them.—The Record Office.

An article appeared in The Record  
last week stating that Mrs. Frank  
Lofthouse had been to Hamilton,  
returning with a little boy from the  
home, whom they intended adopt-  
ing. This was an error, they de-  
ciding otherwise.

As the holiday season approaches  
the following smiling little para-  
graph seems very appropriate.  
"Smile awhile and while you smile,  
other smile, and soon there's miles  
and miles of smiles, and life's worth  
while because you smile."

Many desirable and interesting  
birds will winter near your house if  
you will give them aid and comfort  
during the coldest and stormiest  
weather. Why let them hunger  
when they do such an incalculable  
amount of good for the human race?  
Their mission is one not only of joy  
and music but of economic value.  
Tide them over by providing for  
them in times of emergency, and  
next season they will pay you back.

prosperous days even poets can earn  
a living.

After the Christmas editions of  
the various magazines and newspa-  
pers have been placed on the market,  
Dec. 25 comes as a sort of anti-  
climax.

After reading of the number of  
accidents and misfortunes that over-  
took some other people on Friday,  
the 13th, most of us will conclude  
that it was a lucky day for us.

Our accounts are coming in and  
we would ask our subscribers to  
look at their label and if in arrears  
send us the cash and thus enable  
us to meet our creditors. Every  
dollar will count.

A meeting of the electors of the  
Township of Walpole will be held  
in Chambers' Hall, Jarvis, on Mon-  
day, Dec. 30 for the purpose of nom-  
inating candidates for the office of

lors for the township of Walpole.

At the University examinations  
held in December, Marie Kortum  
of Villa Nova, Blanch Biggar of  
Erie passed the Junior Piano exam-  
ination and Lizzie Paskins of Rock-  
ford the Junior Theory with first-  
class honors. These are pupils of  
Miss Evelyn Sowter.

The newspaper fraternity will re-  
gret the death of Dan McGillicuddy  
the veteran editor. Dan was a sort  
of a stormy petrel in the newspaper  
world, and it is believed that he  
got more newspaper advertising  
from his brother editors than did  
any other journalist. Although a  
great fighter on paper, he was a  
kindly hearted man.

Bertha Eileen, one of the little  
twin children of Mr. and Mrs. Chas.  
Hilliard, died on Saturday, 14th  
inst., aged 7 months, brain fever be-  
ing the cause of her early demise.  
The funeral took place on Monday,  
the service at the home and grave  
being conducted by Rev. A. C.  
Eddy assisted by Rev. Mr. McCrim-  
mon, interment taking place in the  
Presbyterian cemetery. A large  
number of neighbors and friends  
manifested their sympathy by at-  
tending the service. The Record  
joins with others in expressions of  
heartfelt sympathy.

A Record for one Week

The murder of Mrs. Love, in Ceylon,  
Ont., the attempted murder of Mrs. E. D.  
Wellman, at Rawdon, Ont., by her hus-  
band, and his suicide; several fatal rail-  
way accidents and fatal street car ac-  
cidents; the sentencing in Toronto of lads  
of fifteen years in Kingston Penitentiary,  
and other unmentionable crimes against  
women and children, is the sad, sordid  
and terrible records of other Provinces  
are equally bad, and each calls loudly for  
earnest, active and persistent work along  
moral and social reform lines.

"Teddy" is Dead

"Teddy" the good and faithful old cat,  
which possessed more than the average  
amount of cat intelligence, died early  
Tuesday morning after an illness of three  
weeks, from the effects of a severe blow  
inflicted by some heartless wretch, who  
takes great pleasure in torturing dumb  
animals. For many years Teddy was the  
pet in Dr. Bennett's household until their  
removal from town, when he took up his  
new quarters at the home of Mrs. Elva  
Rodgers where he soon became the idol of  
the home and to use the phrase, "he ruled  
the roost." Although he had reached a  
good age, being 11 years old, his death  
will nevertheless be felt and his presence  
is much missed in our home.

### METHODIST CHURCH

and Home departments on Sunday Morn-  
ing was well attended. Calla-Lilies in

Youth." Ruth Glanfield will have charge  
of the Scripture lesson and Miss Johnson  
will lead the discussion. Everyone in-

evening next Sunday. The service will  
be appropriate for Christmas Sunday. A  
Christmas offering for the work of the  
church will be received.

Remember the S. S. Christmas entertain-  
ment on Monday evening, Dec. 23. Be-  
sides the Cantata, "Santa's Santaplane"  
a Pantomime and Tableau, "The red  
white and blue" will be given along with  
other items. A splendid time is antici-  
pated. Watch for the hand bills!

the church on Wednesday evening at 7  
o'clock; also all day Thursday and Friday.

Holy Communion and sermon and special  
music 10.30 a.m. All welcome.

### Hicks' Forecasts-- December

A regular storm period includes the 16th  
to the 20th, having its centre on the 17th  
with moon on the celestial equator the  
same day. Winter lightning and thunder  
will visit many localities on and touching  
the 17th, and violent storms of rain, turn-  
ing to snow and high winds will prevail  
over land and sea during the 18th, 19th  
20th and 21st. Ships on the north Atlantic  
will encounter fierce boreal storms and be  
baffled by wind, wave and ice. Storms  
and weather conditions generally, will be  
of similar character, calling for prudence  
and forethought for protection of man  
and beast. Plan before the storms for  
safety and comfort in the storms, and for  
the dangerous cold that will follow them.  
A reactionary storm period will bring re-  
newed storms of wide extent and great  
force on and touching the 23rd, 24th and  
25th. The moon is full on the 23rd, at  
extreme declination north on the 24th  
and in perigee on the 25th. Most parts  
will get a supply of snow for Christmas,  
before and during this period, with a cold  
wave rushing from west to east from about  
24th to 27th. A seismic period extends  
from the 20th to 26th, central yn the 23rd.  
Rain, sleet and snow—a Vulcan Mercury  
period—winds up the month and year.

### S. S. Anniversary Services

Successful Sunday School Anniversary  
services were held on Sunday and Monday  
Dec. 15 and 16, in the Garnet Methodist  
Church. Rev. S. T. Caldwell, S. T. L. of  
Hagersville, occupied the pulpit morning  
and evening on Sunday, the choir furnishing  
special music for the occasion. On  
Monday evening the annual tea and  
program, constituted interesting and en-  
joyable features. The recitations, dia-  
logues and choruses showed careful and  
painsstaking preparation. The candle  
chorus by the little girls in costumes and  
holding lighted candles was delightful.  
The children of Mr. and Mrs. Wilber  
Christie again favored the Garnet com-  
munity and visitors with an appropriate  
musical selection. The pastor Rev. Arthur  
Clare Eddy, B.A., B.D., occupied the chair.  
A happy surprise of the evening con-  
sisted in the presentation of two mag-  
nificent Morris chairs of oak with leather  
upholstery one to Thomas Harrop, teacher  
of the senior Bible class, and the other  
to Wm. McMurphy, the assistant super-  
intendent of the school. W. D. Roulston,  
Deputy Reeve of Walpole, made the  
presentation in an appropriate address on  
behalf of the class. The sum of \$40 was  
asked for as a free-will offering to carry  
on the work of the school, \$55 was cheer-  
fully contributed. The Garnet people are  
to be congratulated upon the success of  
their anniversary.

### The Hamilton Presbytery Meets at Jarvis

A special meeting of the Hamilton  
Presbytery met at Jarvis on Tuesday,  
Dec. 17th, at 2.30 p.m., for the induction  
of the Rev. J. R. McCrimmon, M.A., B.D.,  
into the pastoral charge of Knox church,  
Jarvis and Chambers churches, Walpole,  
the Rev. John Robertson of Port Dover  
presiding. An able and appropriate ser-  
mon was preached by the Rev. Mr. Rob-  
ertson of Dunnville from Jeremiah 1:10:  
"Moab hath been at ease from his youth  
and settled on his lees" etc. After the  
preaching of the sermon the Presbytery  
was declared constituted and the Rev.  
Mr. Robertson, Interim Moderator narrat-  
ed the steps leading to the call, then duly  
inducted the Rev. Mr. McCrimmon into  
his new charge, when the newly inducted  
minister was welcomed by the ministers  
of Presbytery and able addresses were  
given to the minister and congregation by  
Reverend McPhail of Cayuga and McKinnon  
of Caledonia respectively. The induction  
services over the congregation and mem-  
bers of Presbytery repaired to the base-  
ment of the church where a reception was  
given Mr. and Mrs. McCrimmon and fam-  
ily, a sumptuous repast which was provid-  
ed by the ladies of both congregations,  
partaken of. Addresses of welcome were  
given by Rev. Arthur Clare Eddy of the  
Methodist church and also by the Rev. J.  
H. Ross of the Anglican church, as rep-  
resentatives of the sister churches. Mr.  
Williamson from Nelles Corners, Dr.  
Jaques and others spoke on behalf of the  
congregation and town. Mr. McCrimmon  
replied and thoroughly reciprocating the  
many expressions of good will. The pro-  
ceedings passed off most happily and a  
high note of optimism was struck by all  
the speakers which augurs well for the  
future of the work both in connection  
with the interests of the Presbyterian  
church and the moral interests of the town.

"I never shopped in a nicer store."  
The above remark was passed in the  
new *Star* store by a lady who  
knows all the better stores from  
Montreal to Detroit.

### Silver Wedding

On Friday, Dec. 13th, "Pearlrest" the  
home of Mr. and Mrs. John Butcher, was  
the scene of much excitement and plea-  
sure, it being the celebration of the twen-  
ty-fifth anniversary of their wedding. At  
six o'clock the guests, numbering about  
eighty, began to arrive. The lunch room  
was tastefully and artistically decorated  
for the occasion, presenting a pleasing  
appearance. The table was a mass of sil-  
ver, the table napkins were dainty, be-  
ing bordered in silver, in keeping with  
the event. Mr. Helliwig catered to the  
needs of the guests and every one did  
pleasure to the good things provided.  
The wedding cake was a marvel of beauty,  
the icing and decorations being made by  
Mr. Helliwig, for which he deserves great  
credit. After lunch an interesting pro-  
gram was rendered, consisting of speeches,  
songs, recitations and readings. There  
was a magnificent array of presents, and  
any one being at this function would be  
thoroughly convinced of the fact that the  
agricultural people of the vicinity of Jar-  
vis was as prosperous and up-to-date as  
people as one could find on the continent.  
At a reasonable hour the guests departed  
to their respective homes, after wishing  
the host and hostess many years of happy  
wedded life. Mr. and Mrs. Butcher hope  
to live twenty-five years more so as their  
friends may help celebrate their golden  
wedding. The Record advances one step  
more and wish this estimable couple the  
pleasure of celebrating their diamond ju-  
bilee.

### Head-on Collision

Cayuga, Ont., Dec. 14.—A head on col-  
lision occurred on the Air Line division of  
the Grand Trunk about two miles west of  
Nelles Corners at 12.25 this morning when  
two Wabash line freight trains, running  
at the rate of 40 miles an hour crashed  
into each other with terrific force. Lewis  
Locke of St. Thomas, fireman was killed,  
being caught between the tender and boiler-  
head and was terribly crushed and  
scalded. It was nearly noon before the  
body was extricated from the wreck but  
he died before he could be released. Three  
other St. Thomas men, Engineer James  
A. Black, Engineer Henry Harland and  
Fireman Wm. Saxon, escaped with minor  
injuries by jumping. Walter Queen, crack-  
man also of St. Thomas, was thrown from  
the cars by the collision and was injured  
about the head and shoulders, his right  
foot also being badly scalded by escaping  
steam.

The two engines were locked into each  
other and rolled over into the ditch, and  
ten cars were demolished. It was twelve  
hours before the wreckage was cleared up,  
five Wabash passenger trains meanwhile  
being detained over the M.C.R. The  
Wabash officials state that the accident
