VALUE OF SPACE

SPACE VALUE IN THE JARVIS RECORD is worth more to those wishing to reach the homes of Jarvis than by any other method or use. This journal goes into all the homes all the time. It is appreciated and READ BY HUNDREDS.

If you want to rent an office, home, etc., there is no better way through these columns. Likewise the sale or rental of any article. It is true our rates are just a little higher than some other journals, but value counts. There is more value in Jarvis advertising than the rate warrants. Try us!

IN THESE FEW SHOPPING DAYS THAT REMAIN BEFORE XMAS

THE FALLS STORE WILL GIVE THE GREATEST POSSIBLE SERVICE

It is an honor to have a largely increased number of people showing their confidence in the service of this store at this time.

It is a pleasure to have a store where everybody and everything looks good humored and where there is no room for grumbling, because it is too full of life, happiness and Christmas cheer to admit of anything else.

For The Greater Christmas Business We Have Greater Service

Besides having one of the largest stores in Ontario we have made it one of the easiest stores to get around in and get what you want. It is a safe store in more ways than one to shop in.

The stairways are broad and easy, the elevator is prompt and perfectly safe. The store is day-lighted on three sides, has pure air, high ceilings, and plenty of room for all of Norfolk and from the crowds we have had since the first day that the new store opened people appeared to know this before they were told.

Will You sit down today with a pencil and piece of paper and give a thought of how to get aboard with Kris Kringle? Whoever wants to have a Joyous Christmas must not be worried to death Christmas Eve about Gifts.

UNACQUAINTEDNESS

Two men, residents of Detroit, who had never been in Simcoe before, were here on Saturday attended by a promise at Simconian. They took in the store from roof to basement and one remarked as they were leaving, "We are going out wiser for our visit" and the other said "It is a store that would do credit to a city the size of Detroit." We like people to see for themselves the fine stocks of goods contained in this store and how the new school of business is conducted. One of the store is that there are no attempts to foist any purchases upon sightseers
