FAIR NOTICE

THE very cream of the special purchase lines included in the great Annual Sales of Beds, Bedding and Good Furniture, will be gone before the end of this week. Other lines will be added from time to time, of course, but maybe just the article you want most will move out.

Take no Chances on Being Disappointed---Come This Week.

No soft, fungi, worm eaten wool in any of our Furniture. Our Blankets which we advertise as "all wool" contain not a thread of cotton. Our pillows are covered with the strongest and lightest of ticking, etc., and are filled with live geese feathers---rennovated by ourselves---and bought from farmers all over Ontario. We'll buy some from you, if you have any good ones.

Ending This Week---The Annual Sale of Notions and Toilet Goods.

While the Furniture and Bedding Sales continue all month, two other splendid value giving sales come to a close at 6 p.m., next Saturday. These are the Annual Sale of Notions and Sewing Requisites, and the Annual Sale of Toilet Goods, Toilet Table Needs, Rubber Water Bottles, etc.

NEW SPRING SUITS FOR WOMEN AND MISSES---NEW SPRING SILKS, WASH GOODS AND A FEW OF THE NEW HATS

And not only have we got new stocks of the above lines, but many of them are now being offered at very special prices. All kinds of attractions for you here this week!

It is up to You

To protect your family from the ravages of disease and infection; and the rigors of winter; to make your home the abode of Health and Happiness. Statistics tell us that there were over 250,000 deaths in North America last year from fever and pneumonia, over 90 per cent. of these cases were traceable to out-door closets and all were the result of insanitary conditions. Are you going to allow this terrible death rate to continue.

Why not insure Health by installing A "PARKYE" SANITARY CHEMICAL CLOSET

Absolutely Sanitary and Odorless, carries the endorsement of Physicians and Health Officials, and our own iron-clad guarantee; requires no expensive water-system; no plumbing; no sewage. Can be installed in any part of your home at the cost of a few minutes of your spare time; lasts a life time and costs less than a cent a day.

"Parkye" Chemical has been proven by Bacteriological test to be the most powerful disinfectant, deodorant and germicide known to science.

FOR SALE AT CAYUGA ONTARIO

As we are opening another seed business in the West and have decided to devote our attention to the seed business alone, we have decided to sell our Grain Elevator, Flour and Feed business. Those two together make a good and profitable business for any man. Elevator is described as follows:---capacity, 1,500 bus; price \$2,000. Located on G. T. R. and Wabash; built 2 years ago of timber, scantling: clad with corrugated galvanized iron on sides and roof; basement of heavy concrete walls, main floor of 14 inch timber; 7 upper bins, built of 2x4 inch scantling laid flat and braced; eight port leads to steel tube conveying grain to cars on track; gas engine in basement run by natural gas costing 25 cents per thousand; capacity of 300 bushels per hour; 8 port self-locking distributor; hopper receives grain outside, emptying into a 25 bushel hopper scales. Can easily be operated by a boy of 12 years old, as there is no handling of bags. Along with the grain business will sell our Flour and Feed business, which can be handled on the main floor of the Elevator. Annual turn-over of wheat is about 40,000 to 50,000 bushels besides the coarse grains, and the corn which we shipped in. Basement has a capacity for several cars of potatoes. Annual turnover of Flour and Feed about \$5,000 to \$6,000. Will sell our stock to purchaser at cost price; business is a good live one.

Cutting a Birthday Cake Falls 1912 February Sale

For full twenty-five years, this store has been holding these February Sales and this our twenty-fifth is surpassing head and shoulders any previous sale in number of customers served, in distance customers have travelled to attend the sale, in Volume of business done.

We will tell you frankly that we are not holding this sale because we have already held twenty-four sales and want to keep up the custom. We are holding it because after all these years---"how short they seem, after all,"---of laboring, learning and looking ahead we have been able to get the goods to make another sale from---only we have a great deal more of them than ever before, and they are all of **THE FALL'S QUALITY.**

Falls February Sale is a Safe Sale---as safe for our friends who have just two or three dollars to invest as it is for them who wish to buy a two hundred dollar set of furs or five or six hundred dollars worth of carpets and rugs to furnish a home.

To do something better than even our friends expect of us is setting about as high a standard as we know. We have tried to do this in our 1912 February Sale---and we ask you to judge.
