As we are opening another seed business in the West and have decided to devote our attention to the seed business alone, we have decided to sell our Grain Elevator, Flour and Feed business. Those two together make a good and profitable business for any man. Elevator is described as follows:—capacity, 1,500 bus; price \$2,000. Located on G.T. R. and Wabash; built 2 years ago of timber, scantling clad with corrugated galvanized iron on sides and roof; basement of heavy concrete walls, main floor of 14 inch timber; 7 upper bins, built of 2x4 inch scantling laid flat and braced; eight port leads to steel tubes conveying grain to cars on track; gas engine in basement run by natural gas costing 25 cents per thousand; capacity of 300 bushels per hour; 8 port self-locking distributor, hopper receives grain outside, emptying into a 25 bushel hopper scales. Can easily be operated by a boy of 12 years old, as there is no handling of bags. Along with the grain business will sell our Flour and Feed business, which can be handled on the main floor of the Elevator. Annual turn-over of wheat is about 40,000 to 50,000 bushels besides the coarse grains, and the corn which we shipped in. Basement has a capacity for several cars of potatoes. **Ten Don'ts for Young Men**  
"Do not speak of 'the old girl' and 'the old woman'; fathers and mothers are a necessary evil in the present system of things. They have spoken respectfully of you when others could not see anything on which they could hang even a small compliment.  
"Do not give all your attention to the education of the brains on the outside of your head. Football hair and a letter on your jersey are not a sufficient training for life. The young fellow who is old fashioned enough to go to school for study still has a place in the world.  
"Do not invest your capital in a glass of beer, then afterwards your capital in other fellow who has invested his nickel in a savings bank. Beer cheques and saving bank cheques to investments are not in the same class.  
"Do not put the money of your tailor and your washerwoman in 35 opera seats and 32 theatre tickets. They may prefer to spend their earnings in some other way.  
"Do not measure your job entirely by the size of the pay envelope and the length of the vacation. Highway robbery is an ideal vocation measured in these ways.  
"Do not try to get rich quick; smarter men than you, who have come to town without a cent, have tried it and lost all they had.  
"Do not treat a woman. Every woman is some mother's daughter. The white life you ask from your mother's daughter you have no right to take from the daughter of another.  
"Do not dabble your tongue with profane and vulgar speech, revealing your ignorance and showing the coarseness in your soul.  
"Do not think you have counted all the ocean of truth when you have let out all your little life. The ocean on a beach shore Newton had gathered only a few pebbles can never be all in your tin cup.  
"Do not be a stranger to the church of your father. The old paw looks handsome without you. Your father went to his church and his prosperity straggled from the church door. The path is still there. You need the church and the church needs you."—Rev. D. Albert Mazion, Hyde, Brockton, Mass.
