Orders left at Record office will receive prompt attention.

Love, pure and simple, when allowed to operate in the human soul, will bring more than all other things combined. It keeps down all strife; covers faults, and makes smooth the rough places of life, it cheers the broken heart, and stills the aching breast; it bears the burdens of those we love; it makes heroes of ordinary men, makes beautiful the plain woman, and can make a dishonest man true and good; it inspires a confidence that is impossible out of love. Let it reign supreme over all things.
