It is up to You

To protect your family from the ravages of disease and infection; and the rigors of winter; to make your home the abode of Health and Happiness. Statistics tell us that there were over 250,000 deaths in North America last year from fever and pneumonia, over 90 per cent. of these cases were traceable to out-door closets and all were the result of insanitary conditions. Are you going to allow this terrible death rate to continue.

Why not insure Health by installing
A "PARKYE" SANITARY CHEMICAL CLOSET
