The program was A No. 1 and much praise is due to the scholars who took such pains in practicing the children. The beautiful Xmas tree was well laden with gifts and when Santa Claus appeared to distribute the presents the children seem well pleased with the many gifts received.

The proceeds amounted to nearly \$25 and in every respect the entertainment was a very decided success. Try it again girls next year.

In Memoriam

FRIEST—In loving memory of our dear mother, Susannah Friest, who died Jan. 1st, 1906.

Four years have passed dear mother since you were called away. How well do we remember that sad and weary day.

None know how and the parting Or what the farewell cost, But God and his loved angels Have gained what we have lost.

Have you seen our Klip-Klip, a perfect manicure and sanitary cigar cutter. It is a hand article for you to carry. The Record.

It wasn't a Missouri editor but a printer's devil who was going thru his first experience in making up forms. The paper was labeled the boy got the galleys mixed. The first part of the obituary notice of a peculiar citizen had been dumped in the forms, and the next handful of type had come off of a galley describing a recent fire. It read like this: "The pall bearers lowered the body to the grave and as it was assigned to the flames there were few if any regrets, for the old wreck had been an eyesore to the town for years. Of course there was individual loss, but that was fully covered by insurance." The widow thinks the editor wrote the obituary that way because the lamented partner of her joys and sorrows owed him five years' subscription.

Crystal Wedding Anniversary.

On Saturday, Dec. 30, 1911, Mr. and Mrs. Chas. Walker of Garnet, celebrated the fifteenth anniversary of their marriage by entertaining in royal manner a large number of guests from various points in Ontario, Saskatchewan and New York state.

The wedding dinner consisting of a bountiful supply of the choicest viands and served by a chef in costume was thoroughly enjoyed. Rev. A. C. Eddy, B. D. expressed the sentiments of those surrounding the table by giving an address of congratulations, wishing host and hostess continued blessings in their married life. Gifts in glassware, including articles of cut and pressed glass, were supplemented by a beautiful china tea set. Mr. and Mrs. Walker and daughter Mildred and Ethel have the good wish of a large circle of friends.

A travelling salesman died very suddenly in Kalamazoo. His relatives photographed the facial to make a wreath the ribbon should be extra wide and bear the inscription "Rest in Peace" on both sides, and if there is room, "We shall meet in heaven." The funeral was out of town and his new assistant handled the job. It was a startling floral piece which turned up at the funeral. The ribbon was extra wide and bore the inscription, "Rest in Peace on both sides, and if there is room We shall meet in Heaven."

A reactionary storm period will make itself felt, in a progressive way, from west to east, central on the 2nd, 3rd and 4th. This period is at the center of a Venus equinox, with moon at full, in perigee and at north extreme declination. It will bring decided rise in temperature, falling barometer, with rain, tending to snow and sleet as storms advance eastwardly across the country. A seismic period, covering six to seven days, in central on the 4th. Great extremes from high to low winter temperatures will mark this and other January periods — Hich's forecasts for January.
