A new Idea—"Semy-Mayde" Dresses for Young Girls

This is the idea in brief: These Dresses are already cut, ready to be sewed. They come in Ginghams, Percales, Galateas, etc., in many different patterns. Each dress comes in an envelope. Also in the envelope are the necessary trimmings, buttons, braids, etc. Having everything in the same envelope saves time, shopping around. Having the dress already cut out, ready to be sewed, insures a perfect fit, and saves the expense and time of getting and using a pattern. Plenty of different styles for girls aged 6, 8, 10, 12 and 14 years. Price \$2.00.

It is up to You

To protect your family from the ravages of disease and infection; and the rigors of winter; to make your home the abode of Health and Happiness. Statistics tell us that there were over 250,000 deaths in North America last year from fever and pneumonia, over 90 per cent. of these cases were traceable to out-door closets and all were the result of insanitary conditions. Are you going to allow this terrible death rate to continue.

Why not insure Health by installing
A "PARKYE" SANITARY CHEMICAL CLOSET

Absolutely Sanitary and Odorless, carries the endorsement of Physicians and Health Officials, and our own iron-clad guarantee; requires no expensive water-system; no plumbing; no sewage. Can be installed in any part of your home at the cost of a few minutes of your spare time; lasts a life time and costs less than a cent a day.

"Parkye" Chemical has been proven by Bacteriological test to be the most powerful disinfectant, deodorant and germicide known to science.
