During the past few years the removal of the earlier settlers of this vicinity. One by one have they passed from the scenes of their toil and experiences to the quiet slumbers of the graves. Their labors remain in cleared, well cultivated farms and comfortable homes. They have left to their sons and daughters a legacy worthy the outcome of the well-fought battles of life. Another has just departed in the person of John Kenner, who passed away on Saturday evening, Jan. 13th, at the ripe old age of 83 years. He has been ill for some time, hence his death was not unexpected. He followed the occupation of blacksmith and in dealing with the public he was straightforward and courteous and as a friend and neighbor none could be better. By his death a sorrowing widow, one son Samuel and one daughter, Mrs. John McKeen are left to mourn the departure of a kind husband and devoted father. The funeral took place Monday, the remains being laid to rest in the Greenwood cemetery, Rev. Caldwell officiating.

DEATH—“For of such is the kingdom of Heaven” Thus the little babe who passed away the other day is to-day a bright jewel in the Home beyond. We refer to Nellie Ethel, little daughter of Mr. and Mrs. Thomas Harrop, who was carried away by the angel of death on Friday, Jan. 19th. The little one who was only 6 months and 13 days old, had been delicate from birth. While we share in the sorrow of the grief-stricken parents, let us remember their loss is the child's gain, therefore we hope that a wise Providence will lessen their sorrow by filling their hearts with a strong desire for a glorious reunion.
