### PHOTOGRAPHY IS A MIRROR

Which held up to life, throws back a permanent reflection. Just as a poor mirror gives a distorted likeness, does an inferior photograph liberal its original. Good mirrors cost a little more money, so do artistic photographs. Art in photography is simply the truthful reproduction of nature, that my photographs show at least a fair measure of artistic merit is due simply to an ability to cause the sitter to momentarily forget the camera.

## It is up to You

To protect your family from the ravages of disease and infection; and the rigors of winter; to make your home the abode of Health and Happiness. Statistics tell us that there were over 250,000 deaths in North America last year from fever and pneumonia, over 90 per cent. of these cases were traceable to out-door closets and all were the result of insanitary conditions. Are you going to allow this terrible death rate to continue.

### Why not insure Health by installing A "PARKYE" SANITARY CHEMICAL CLOSET

Absolutely Sanitary and Odorless, carries the endorsement of Physicians and Health Officials, and our own iron-clad guarantee; requires no expensive water-system; no plumbing; no sewage. Can be installed in any part of your home at the cost of a few minutes of your spare time; lasts a life time and costs less than a cent a day.

"Parkyte" Chemicals has been proven by Bacteriological test to be the most powerful disinfectant, deodorant and germicide known to science.

A "Parkyte" Sanitary Chemical Closet is sold by **E. T. CARTER JARVIS ONT.**

A call there will convince you. No further argument will be necessary
