Which held up to life, throws back a permanent reflection. Just as a poor mirror gives a distored likeness, does an inferior photograph liberal its original. Good mirrors cost a little more money, so do artistic photographs. Art in photography is simply the truthful reproduction of nature, that my photographs show at least a fair measure of artistic merit is due simply to an ability to cause the sitter to momentarily forget the Camera.

Pretty Slow

Now and again we hear we are slow with the new building. We generally hear this from those that have had little or no experience in building. We are not erecting the store building rapidly but are erecting it thoroughly. We trust when completed it will be a credit to Simcoe, the builders and to The H. S. Falls Co.

We experienced a very comfortable feeling in the basement of the new store Thursday. The thermometer registered 92 outside of the building. It registered 69 in the basement of the New Store. It will be quite a relief to shop there during the hot

A Giant in the Retail Dry Goods, Etc., Trade of Canada called on us Last Week.

He was motoring through Simcoe, The New Store Building attracted his attention. and asked to be shown over it. He had lots of nice things to say about it and as he bid us goodday remarked outside of Toronto and Montreal there is, but one store in Ontario that will approach it and that one is in London. If you will let me know when you dedicate it I'll come up. Good luck to you.

Off to the Lake
