PHOTOGRAPHY IS A MIRROR

Which held up to life, throws back a permanent reflection. Just as a poor mirror gives a distorted likeness, does an inferior photograph liberal its original. Good mirrors cost a little more money, so do artistic photographs. Art in photography is simply the truthful reproduction of nature, that my photographs show at least a fair measure of artistic merit is due simply to an ability to cause the sitter to momentarily forget the camera.

Mrs. Wm. Masterton, of Simcoe, had the misfortune to miss a step at the top of the stairs and fell down stairs. Fortunately no bones were broken, but she received several bruises and a bad shaking up. It is a wonder she was not killed being over 80 years of age.

A most distressing accident occurred near Fisherville on Wednesday morning, when Fred Reicheld, son of Chas. Reicheld, aged 17 years, was putting the horses in the stable one of the animals kicked him in the stomach with such force as to break several ribs and to cause other injuries. Several physicians were summoned and it was thought for a time that the boy might not recover but he is now resting easily. If complications do not arise there is every hope for his ultimate recovery.

The man who is in the habit of his doing his duty is always surprised when Congress gives him a gold medal.

A man looked at the sun and sneezed. He said that he could look at the sun any time and sneeze which caused a man standing by to say that there was nothing in it; that the statement was foolish. One word led to another, and finally a policeman was compelled to interfere.
