VARICOSE VEINS CURED

☞ NO NAMES USED WITHOUT WRITTEN CONSENT.

Confined to His Home for Weeks.

"Heavy work, severe straining and evil habits in youth brought on Varicose Veins. When I worked hard the aching would become severe and I was often laid up for a week at a time. My family physician told me an operation was my only hope—but I dreaded it. I tried several specialists, but soon found out that they wanted was my money. I commenced to look up on all doctors a little better than rogues. One day my boss asked me why I was off work so much and I told him my condition. He recommended to consult Drs. Kennedy & Kennedy, as he had taken treatment from them himself and knew they were square and skilful. I wrote them and got THE NEW METHOD TREATMENT. My progress was somewhat slow and during the first month's treatment I was somewhat discouraged. However, I continued treatment for three months longer and I was rewarded with a complete cure. I could only earn $21 a week in a machine shop before treatment, now I am earning $31 and never loose a day. I wish all sufferers knew of your valuable treatment.
