### PHOTOGRAPHY

IS A MIRROR

Which held up to life, throws back a permanent reflection. Just as a poor mirror gives a distorted likeness, does an inferior photograph liberal its original. Good mirrors cost a little more money, so do artistic photographs. Art in photography is simply the truthful reproduction of nature, that my photographs show at least a fair measure of artistic merit is due simply to an ability to cause the sitter to momentarily forget the camera.

When you read of those torns does and floods on the other side and of the people scrambling to save their lives, be thankful you live in a Christian country.

# It is up to You

To protect your family from the ravages of disease and infection; and the rigors of winter; to make your home the abode of Health and Happiness. Statistics tell us that there were over 250,000 deaths in North America last year from fever and pneumonia, over 90 per cent. of these cases were traceable to out-door closets and all were the result of insanitary conditions. Are you going to allow this terrible death rate to continue.

Why not insure Health by installing A "PARKYE" SANITARY CHEMICAL CLOSET

## THE SALE WILL BEGIN SATURDAY MAY 25th.

Visit the sale, form your own judgment whether you wish to buy or not. Taking a few minutes to see will at least give some information about Carpets and Carpet prices.

We shall not wittingly fall into the common error of extolling and magnifying what we are going to part with nor shall we cry down other people's commodities when we have faults of our own.

Selling will begin Saturday May 25th  
Extra Salemen in Attendance

We will merely state that there will not be a dollar's worth of goods offered during the sale that we would be ashamed to offer in the new store, and we are building it too well to stock it with inferior merchandise.
