Reserve & Undivided Profits 3,500,000

Just as a successful merchant makes every effort to give his customers courteous, efficient attention, so do the officers of the Bank of Hamilton endeavor to render to depositors every service consistent with conservative banking practice.

No deposit is too small to assure the depositor a liberal rate of interest. The savings accounts of those in moderate circumstances are welcomed with courtesy, and with that absence of undue formality which makes banking a convenience and a pleasure.

We are sorry to see our old friends leave us but we wish them every success in their new home. The service in the Baptist church was dispensed with on Sunday owing to the anniversary services at Selkirk. A number of our citizens attended and were pleased with Rev. Kothhouse's interesting and instructive remarks. The tea on Monday evening was also well attended by our citizens. Miss Tullin of Middlemas is a guest at the home of her grandmother, Mrs. R. Jepson. Varency

When in need of gummed labels call at The Record Book Store.

There is conversation in the thought that there may be a dry spell next July. David Binnet, who has been a resident of this burg since coming to Canada two years ago, has engaged with Percy Ineson, near Jarvis for the ensuing twelve months. The West Haldimand Plowmen's Association intend holding a plowing match in this vicinity in the near future. Chas. Matthews met with a painful accident on Monday morning while leading a horse to water on the premises of G. L. Miller. When discovered by the latter a few minutes after the occurrence he was in a semi-conscious condition and unable to give any definite particulars of the accident. Dr. Newell of Jarvis who was immediately summoned found upon examination that the unfortunate young man had sustained a serious fracture to the jaw bone and decided to have him removed to the City Hospital, Hamilton for treatment. Ed. Chando of Simcoe has leased "Burnside" from G. L. Miller and will take possession about Dec. 1st.

Renton

Geo. E. Seord, G.T.R. brakeman of Stratford is spending a few days under the parental roof prior to leaving for Moosejaw. At The Record Office, Jarvis, is where you can purchase a nifty Christmas box for your child or friend. You cannot present a nicer gift than one you purchase at their store. Miss Jessie Mitchell spent Sunday at Mrs. J. C. Ross' kitchen near Delhi. Mr. Beemer of the 13th con., Townsend, spent Sunday with Geo. Duncan. "Chappy" has engaged J. J. Bagnall for a twelve months' term. The Halloween man paid his usual visit to our burg leaving some striking proofs of his ability as a trickster of the first part. Chappy found his wagon unlimbered and his gate gone. Another man found his cows in his picked apples. This was a contemptible trick, not only was it a loss of the apples, but it might have been death to the cow. The harmless joke is appreciated but when it destroys property and threatens life a halt should be called. An example should be made of the perpetrators of these acts.

Sandusk

A box social will be held in the Sandusk Music Hall, Monday evening, Nov. 18. Boxes to be auctioned off and coffee served free. Good program is provided. Everybody welcome. Auspices in aid of St. John's church, Cheapside.

Tea was then served by the hostess and an enjoyable time was spent by all. John Walker, being one of the winners in the Frost Wire Fence contest, left Friday on a two week's trip through Canada and United States. Mrs. Tyrrell entertained a number of friends Saturday evening. Mrs. Wm. McMurphy and daughter, Miss Sunday Saturday with her sister Mrs. J. W. Pond. Mr. and Mrs. Jos. Aude spent Sunday at Hagersville. Church service in the hall Sunday evening at 7.30. Nov. 17th. All welcome.

Joseph Phillips

News of the sudden and unexpected death of Mr. Joseph Phillips at Hamilton caused general surprise and sorrow. The family received the sad news on Monday night. He was in his 76th year. Mr. Phillips was born in England, came to Canada in 1858 settling in Toronto where he followed the trade of a baker. In 1865 he came to Walpole, purchasing a farm which he improved and occupied up to the time of his death. Mr. Phillips was a general disposition and made a host of friends. He was a member of the Orange Order, a staunch Conservative in politics and a member of the Episcopal Church. A widow, one daughter and two sons survive. They are Mrs. John Trousdale, David and John. The funeral was conducted by the Orange Order, interment being made in Rockford Cemetery, Rev. Leake officiating.

Hicks' Forecast—November

A reactionary storm period falls on and touches the 18th, 19th and 20th. There will be electrical storms centering on and touching the 19th, the date of the Storm's crossing the celestial equator. Under strain of both Mercury and Venus periods decided storms, culminating in snow and sleet, may be expected at this period. A general low barometer at this time will be ample warning of dangerous autumnal gales, especially on the Atlantic and over the lake regions. High barometer, with stiff gales and early cold wave, will follow these storms.

A Live Change

It is seldom we can offer our local public a combination with our own paper and a big city daily at as low a bargain price as we now are able to do. We have made an extraordinary arrangement with The Toronto Daily Mail and Empire, by which we are able to offer it in conjunction with our own paper—the two together from now until April 1st, 1913, for \$1.35. This period will mainly cover the approaching Sessions of the Dominion Parliament and the Ontario Legislature, and perhaps the Balkan War to its termination. The above period promises to be very interesting and full of stirring news, so we advise early subscription, which means greatest value.

Send all orders to office of this paper.

Whenever differences arise in the labor movement let them be settled calmly.

A man named Miller was charged before Judge Robb with securing attendance and maintenance at the Port Dover Sanitarium under false pretenses. He was taken to the hospital suffering from typhoid fever and posed as a man of means. Upon his recovery he refused to pay. The contention of the defence was that evidence substantiating the charge against him was not sufficient to convict him, and Judge Robb took this view of the matter, dismissing the case. Mr. T. J. Agar prosecuted, and Mr. P. P. Innes, K.C., appeared for defendant.—Cayuga Advocate.

Good Fall Painting

If your buildings need painting now, don't put it off till next spring. Do it now!

It will be money saved to protect the lumber against winter weather. Then, too, the fall is a fine painting season—weather conditions right; no heavy rains to soak into the lumber; no gnats and flies to stick to the fresh paint.

Our advice is: Paint now and use

THE SHERWIN-WILLIAMS PAINT

COVERS MOST, WEARS LONGEST, LOOKS BEST, MOST ECONOMICAL.

108 Canadian farmers will receive cash prizes (twelve in each Province) in our big

1912 FARMERS' PRIZE CONTEST

WE held a contest last year in which 36 prizes were offered. This year there will be three times as many prizes (108) and therefore three times as many chances for you to win one of them. You do not have to use a large quantity of cement to win a prize. Many of last year's prize-winners used comparatively little cement.

THE contest is divided into three classes and is only one of these (Class "A") does the amount of cement used count in deciding prize winners. Class "B" is for doing the best concrete work, the size makes no difference. Class "C" is for sending in the best and clearest description of how any piece of concrete work was done.

THERE will be four prizes (First, \$50; Second, \$25; Third, \$15; Fourth, \$10) in each Province. This year you have only to compare your work with that of your neighbors and not with those of distant parts of Canada. This gives you the best possible chance to win a \$50 prize.

IT COSTS NOTHING TO ENTER—There are absolutely no "strings" to this offer. There is no entry fee or red tape to bother with. You cannot lose, because the improvements you make of concrete in competing for the prize will be more than enough to pay for the cost of cement. We have a book, "What the Farmer Can Do With Concrete," which will give you all the information about the use of concrete. It will be sent to you free when you ask us for complete particulars of the Prize Contest. Ask for particulars to-day. Just say "Send me, free, your book and full particulars of the 1912 Prize Contest," on a post card and mail it to-day.
