A farmer old, so we've been told, Drove down the road with a heavy load While singing his merry song. But his horse gave a leap, As he ran amuck in the mud he stuck Clear up to his axles deep. Bad roads did it!

And a wheelman ran went out one day For a joyous morning spin, With the weather bright, his heart was light. As he left the village inn, But he went not far when he felt a jar Which started his troubles and cares. He was laid up ill, while the doctor's bill Came in with the one-for repairs. Bad roads did it!

In an automobile of wood and steel A millionaire prim and neat Went out for a ride by the river's side In style that was hard to beat. But, alas! he found that the broken ground, And the ruts, and the holes so great Had smashed a wheel of his automobile— What he said we cannot relate. Bad roads did it!

Jarvis Choral Society

FRIDAY, APRIL 11, 1913. The Jarvis Choral Society has been preparing for the past two months for their concert which is to be given on April 11th. The Chorus has been working on some fine choral works by such renowned composers as Sir Arthur Sullivan, Giochino Rossini, Wagner, Purcell, Hadley and others and are expecting good support from their friends in Jarvis and the surrounding district.

The Chorus will be assisted by Misses Shirley Rodgers and Ethel Snyder, our two most popular local young lady singers, as well as by Miss Alta Young, reader of Hamilton. Miss Newell will render a piano solo and Wm. Bates will sing. The officers and members of the Chorus have been sparing no pains to make this concert a success and every one is looking forward to it with great anticipation. The admission has been fixed at 25 and 50 cents and the plan will be at the Drug Store after Tuesday, April 11th. Secure your tickets early!

Hicks' April Forecasts

The Mercury period is central on the 2nd and will prolong the disturbances at this time. Thunder, lightning, wind and rain, with severe hail storms in many sections, may be looked for, with possible squalls of snow and sleet to the northward. The combined influences of Mercury, Venus, Earth and Jupiter will naturally aggravate and prolong disturbances throughout the first eight or ten days of April. A reactionary storm period, overhung by the mercury brace, centers on the 5th, 6th and 7th. Vicious electrical and lightning storms will be very natural on and touching the 5th and 6th. With high temperature, humid atmosphere, and greatly depressed barometer, dangerous tornadoic storms should be apprehended. With a good barometer at hand and wisely consulted, the most violent and destructive storms may be foreseen and guarded against. Change to much cooler, with the most central and northern states, about the 8th to 9th. An aggravated seismic period is central on the 8th, calling for severe and numerous earthquakes between the 3rd and the 9th. Make it your business to watch for earthquake reports.

Obituary

Another of our old and respected residents of this township passed away on Tuesday March 26, in the person of Mrs. Margaret Rodgers, who on March 19th was stricken with paralysis from which she never recovered. Mrs. Rodgers was the widow of John Rodgers, who died in 1867 leaving one child, Minnie, who died some twenty-four years ago from typhoid fever and since that time, Mrs. Rodgers lived alone on the outskirts of our village. Deceased was a member of St. Paul's Episcopal church and illuminated her church membership by a life of faith, devotion and beautiful service. She was a great reader and at several times wrote several poems. Shortly after the death of Queen Victoria she wrote the poem entitled "Victoria the Good," for which she received a personal letter from King Edward telling of his appreciation of the beautiful words. The remains were laid to rest on Thursday last in St. Paul's church cemetery.

Missionary Rally

Notwithstanding the unfavorable condition of the roads the Missionary Rally services under the auspices of the Woman's Missionary Society and Mission Band of the Methodist Church were pronounced a decided success. On Sunday morning the pastor addressed the girls and boys taking for his subject "Lessons from the Flowers," the church itself being prettily decorated with ferns and flowers. In the evening Miss Morgan of Brantford spoke in a pleasing and impressive manner concerning missionary difficulties and successes in Japan where she has labored under the W. M. S. Board, directing the attention of her hearers especially to the work in the old Buddhist city of Kanazawa. Her earliest appeal for kindly sympathy and help in the great task will not soon be forgotten by those who had the privilege of hearing her.

On Monday evening refreshments were served in the Sunday School room after which an interesting program was presented, hearty incores being of frequent occurrence. Music was furnished by Mrs. Andrew Miller, Mrs. Chas. Howard and a male quartette consisting of Messrs. J. W. Robertson, Ainsley Jackson, Marshall Roberts and John Hunwick. Recitations were given by Miss Lizzie Machell and Mrs. Chas. Walter. The following "Livingstone" themes were also presented: "The Sketch of his Life" by the pastor, "His Sayings and Prayers" by Wm. Machell, and "Lessons from his Life" by Miss Marion Davidson. Miss Morgan's address though intended especially for the children of the Mission Band was enjoyed by all. Japanese dolls, idols and curios of various kinds which she had to illustrate her theme proved intensely interesting and instructive. A hearty vote of thanks was given her for her assistance in the Rally Services so efficiently and generously rendered. The singing of a verse of "God be with you till we meet again" and prayer by the pastor brought the evening exercises to a close.

Sherman Armstrong of Winnipeg. The Rev. W. W. Adams, pastor of the bride officiating. Among the numerous gifts were linens, out glass, silver, cheques, and also a beautiful mantle clock, presented to the bride by the girls of the office in which she worked.
