BE A CHARMING WOMAN

You never saw a beautiful woman who didn't have beautiful hair. The charms of a beautiful woman lie in her hair. Many women do not realize the attractions they possess because they do not give proper attention to the hair.

The women of the "400" are famed for their beauty because their facial features are superior to those of other women, but because they know how to keep young by supplying vigor, lustre, and strength to their hair.

Up to a few years ago PARISIAN Sage could hardly be obtained in Canada. But now this delightful hair restorer can be had in every town. T. E. Morrow sells it in Jarvis for 50 cents a bottle, and guarantees it to grow beautiful, luxuriant hair; to stop falling hair, eradicate dandruff.

Reston
The recent rains have held some of the farmers back with the latter part of their seeding. Miss Lizze Mitchell spent a few days in Harburg with her sister Lena last week. Mrs. Henry Leckman, Mrs. Thomas Leckman and son and Miss V. Armstrong of Walsh is spending a few days with their sister, Mrs. Geo. Duncan. Ed. Edmondson has moved into Robt. Brock's House and Geo. Abbot has taken possession of his own farm.

Sandusk
Rev. and Mrs. Munsinger visited at the home of Mrs. Wm Tyrrell's on Tuesday. Leo Pond spent Sunday under the parental roof. Mr. and Mrs. Leslie Atkinson, Misses Maggie Ward of Jarvis and Eva Atkinson were visitors at "Chestnut Knoll" on Sunday. School is closed for a few days owing to the illness of our teacher. Miss Maggie Ward returned to her home in Jarvis on Monday after spending last week with her aunt, Mrs. W. Tyrrell.

Nanticoke
Mrs. Thompson and daughter, Eva, are visiting friends in Buffalo. We are glad to learn that the Rev. R. H. Brett is able to be around again. H. Ross spent Sunday last at the home of Mrs. T. Hallam. Mrs. and Master Wallace Corrigal spent Sunday at the home of Miss E. K. Bryant. S. A. Thompson took charge of the service at Cheapside on Sunday afternoon. Mr. and Mrs. A. Evans of Wood Lawn, Cheapside, was visiting friends here last week. Quite a few from here visited Jarvis Spring Show last Tuesday. Mrs. Davis and Mrs. George Evans attended the Convention of the Women's Auxiliary in Hamilton last week.

Rockford
We had a very good attendance at Sunday School Sunday morning considering the weather, but there was a very poor attendance Sunday evening. Our pastor preached a splendid sermon from Isaiah 28-29. "For the bed is shorter than that a man can stretch himself on it, and the covering narrower than that he can wrap himself in it." Remember the Communion Service next Sunday morning at 11 a. m. Sunday School will commence at 10 o'clock, the Sunday School collection being for the Missionary Fund. Miss Ethel Howard has been visiting in Hagersville. Wm Somers is having another well drilled. The recent rains have delayed the seeding operations but they have certainly helped the wheat and clover.

Tests of Death—Hold mirror to mouth. If living moisture will gather. Push pin into flesh. If dead the hole will remain, if alive the hole will close up. Place fingers in front of a strong light. If alive, they will appear red; if dead black or dark. If a person is dead decomposition is sure to set in after 72 hours have elapsed. If it does not, then there is room for investigation by the physician. Do not permit burial of dead until some certain indication of death is apparent.
