ARE YOU VERY BUSY?

Every little while you read in the paper that so many persons have died from Consumption.

It is all very far-off and matter of fact and possibly it scarcely arrests your attention.

Do you ever realize that each one of those "cases"—mere items in an official record—is a black tragedy to somebody, that behind each one of them lies long, hopeless days of pain, feverish nights of despair, lifetime plans that must be laid away, grinding poverty, perhaps a wife to fight her own way afterwards or children who know hunger now that the father is gone.

Just suppose it were your tragedy. Suppose it were your father, your mother, your brother, sister, husband, wife, your child, or perhaps your sweetheart, and you with the hospital doors shut in your face, winging your hands in utter helplessness while the crowds hurry by, engrossed in their own affairs.

But not you are in that crowd and you don't hear either because you are busy.

But wouldn't you give up your busy life to know that what would be your own would go far to bring back the cheer of somebody's wan face or the happiness of somebody's lips?

Just sit down and think of the one you love best in the world. Think of "If he lay there—" or "If he lay there—" and see how it sounds. What would become of all your plans and your busy days then?

For eleven years now the Muskoka Free Hospital for Consumptives has cared for those whom others love best, and hundreds of them have gone home again well and happy. It keeps its doors open because a few busy people like you stop for a moment and remember.

Are you going to remember this Christmas?

Don't put it off. Use the attached form in sending your contribution.

Miss Saunders of St. Paul, Michigan, gave a solo in the Methodist Church, Sunday evening delighting a splendid audience with her power in song.

The W. M. S. Nanticoke had a fair turnout and a profitable meeting last Tuesday. They are sending gifts to the Italian Mission, Toronto. The report of the Boys, Brantford, given by Cecil Warner and Edgar Shoup in the Methodist Churchside, was practical and interesting. One thing they saw was: "Do you know that the reputation of this town depends upon you?"

The debaters on Woman Suffrage in the Methodist church, Chesapeake, Lesgno night delighted the audience with their wit and arguments, the sides being: affirmative—Mrs. J. K. Pond, Mrs. Shields and Mrs. Johnston; negative—Mr. C. Bush, C. Bean and Mrs. Frank Tyrrell. Some of us are thinking and laughing yet. The judges were puzzled and unable to arrive at unanimous decision until further deliberation.

Sermon by Mr. Seields next Sunday in Repentance.

The Ladies' Aid, Chesapeake, have been doing considerable reversionation to the parsonage, among other things a fine carpet.

You can get The Record from now till Jan. 1st, 1915, for \$1.00. How's that for a bargain? Try it. This offer is only good to new subscribers.

BANK OF HAMILTON

Save Your Money

WHAT a man earns is not as important as what he saves. An office boy making \$6 a week, of which amount he saves \$1, is actually earning more than the \$25 a week man who saves nothing. The boy's business is paying a dividend; the man's is a failure.

No matter how small your salary may be, you make a serious mistake when you fail to save part of it. When you get your next week's salary, make up your mind to deposit a certain percentage of it in the bank, where it will draw interest at the highest current rate.
