The Saving Habit

Many people who are earning less than you, and whose necessary expenses exceed their income, are saving for years and now have some and comfortable bank accounts. Systematic saving was the foundation of many a large fortune.

It is a habit that is easily acquired, affording more satisfaction and offering larger rewards than any other habit that you could form.

You can open an account in this bank with one dollar, and every six months your savings will be credited with the best current interest.

YOUNG MEN AND MIDDLE-AGED MEN, the victims of early indiscretions and later excesses who are failures in life—you are the ones we can restore to manhood and revive the spark of energy and vitality. Don't give up in despair because you have treated with other doctors, used electric belts and tried various drug store nostrums.

Our New Method Treatment has snatched hundreds from the brink of despair, has restored happiness to hundreds of homes and has made successful men of those who were "down and out." We prescribe specific remedies for each individual case according to the symptoms and complications—we have no patent medicines. We have done business throughout Canada for over 20 years.

Confidence

It is one of the greatest pleasures of our business life that this store has won the full confidence of the public.

This part is being emphasized every day, and many times a day.

It was confidence in this store, its merchandise, and its methods which brought the **Biggest February Business** this store ever experienced.

Now this is the point: Confidence in a store does not "just happen." It is the result of giving every one the same fair treatment in all transactions and of eliminating the practice of trying to "beat the customer."

We will continue to deserve your confidence—and will win new friends.
