Mrs. A. R. Tabor, of Crider, Mo., had been troubled with sick headache for about five years, when she began taking Chamberlain's Tablets. She has taken two bottles of them and they have cured her. Sick headache is caused by a disordered stomach for which these tablets are especially intended. Try them, get well and stay well. Sold by all dealers.

The monster Hickey has been found guilty of murder in the second degree. It is to be regretted that there is no provision in the law for prosecuting the Buffalo jury that brought in the verdict. If ever there was a wretch who should suffer death for his crimes it is this murderer of little boys. He is to be allowed to live, but only behind prison bars. If he were to get his freedom some ordinary law-abiding citizen would doubtless soon shoot him.

A novelty in picture making is produced by cutting out of black paper a silhouette which is placed between two pieces of semi-transparent silk or fine-meshed netting, and up in a place where the light will fall through the mesh. Striking effects are produced in this way, and advertisers, as well as artists, have caught up the idea.
