### Boss Eavesdropper

In Farm and Fireside a telephone expert, writing about the use of the telephone in rural communities, tells the following story about a farmer's wife:—"People who would normally think it a disgrace to eavesdrop or spy on their neighbors seem utterly without conscience when the telephone is in question and will rush to the instrument every time the bells ring, whether it is their call or not. As an evidence of the extreme to which it can be carried, I well remember a case where for some unknown reason the bells beyond one of the stations seemed inconstant trouble; the manager was on the verge of prostration. "I suggested that we drive out to the last 'good' station and, to his surprise, asked him if he dared walk in without rapping; he said he could, and the two of us entered very unexpectedly, the telephone being in the kitchen at the back of the house. The picture we found was, to say the least, amusing; the good housewife, in her craze not to miss anything, had actually rigged up a clamp to hold the receiver on the back of a rocking-chair, and spent her leisure time in comfortably listening to every word that went over the line. She had even gone so far as to devise a method of opening the primary circuit on her own instrument so that the batteries would not run down. This is an extreme case, but shows how far some folks can go."

## HOW OLD ARE YOU BY YOUR HAIR

You may be 30 in years, but if you are baldheaded or gray, you cannot prevent people from thinking you are older.

Dandruff is the root of all hair evils. If it were not for the little destructive germs working with a persistency worthy of a better cause there would be no baldness.

PARISIAN Sage, Canada's greatest hair restorer, will keep you looking young and attractive.

It is guaranteed by T. E. Morrow to make hair grow and stop falling hair; to cure dandruff in two weeks to stop itching of the scalp almost instantly.

PARISIAN Sage is the most invigorating, satisfying, and pleasant hair dressing made; it makes the hair soft, lustrous and handsome; it is especially praised by women who love beautiful hair. 50 cents a bottle.

A burial casket that holds a corpse seated upright on a stool has been patented by a Philadelphian.

Have you used Moore's push pins. Will not disfigure wood or plaster walls as do tacks. Can be used over and over.—The Record Book Store.

If your children are subject to attacks of croup, watch for the first symptom, hoarseness. Give Chamberlain's Cough Remedy as soon as the child becomes hoarse and the attack may be warded off. For sale by all dealers.

Dairymen and fruitgrowers are asking for reforms which ought not to have been so long delayed. The dairymen, thoroughly dissatisfied with the accommodation afforded them at the Guelph Winter Fair, have decided for a separate exhibition for their own important branch of agriculture. If Guelph had been wise the additional room the dairymen are asking for would have been provided long ago. It is now up to some live railway centre to provide all the accommodation the dairymen require, and so secure the exhibition. The fruit and vegetable growers are asking Toronto to provide a suitable market for them, and no wonder.
