Quiet Wedding

It is always a pleasure to note the advent of a Jarvis girl from maidenhood—fancy free—into Hymen's paradise. This week it affords us great pleasure to record the marriage of Miss Frances T. Le Pan, daughter of Mr. and Mrs. L. A. Le Pan, to Mr. Arthur F. Hodgson, the quiet yet pleasing event taking place on Thursday, January 16th, 1913, at St. George's church, Guelph, by the Rev. Archdeacon Davidson officiating. The bride, who was unattended, was attired in a neat and very becoming brown travelling suit and carried a very pretty bouquet of pink roses. At the conclusion of the ceremony the happy couple left on an eastern trip where the honeymoon is being enjoyed. Mrs. Hodgson is one of Jarvis most popular and highly cultured young ladies, while the groom is among our most esteemed and respected citizens, and to them we extend our heartiest congratulations for a long life of health and happiness. Mr. and Mrs. Hodgson upon their return will take up their abode near here.

Fickle Weather

What is so rare as a day in January? A voice: "The other 30." The weather man had 57 varieties of fits on Saturday and in a short time between 8 o'clock in the morning and 8 o'clock in the evening, the citizens of Jarvis were furnished with four distinct seasons. With the first peep of day a drizzling rain was falling and said rain continued to fall until 10 o'clock in the morning. Then the weather man showed on another lever and Old Sol poked his nose out and favored us with thirty minutes of June atmosphere. This switched again to another fall of moisture, which turned into a real old-fashioned blizzard and a final wind-up, the weather manufacturer put on the clamps and froze everything up tight. Sunday proved an ideal day. Predicted cold snaps have a habit of weakening when they reach this district. Monday's weather was an instance. Somebody said it rained. It poured, and on top of that it deluged. Within the short space of fifteen minutes an inch of water fell, which after long and careful commutation on the part of a prominent mathematician discloses the startling fact that in those few minutes 1,652,989 square feet of water came from the clouds to the surface of our village. The day wound up with a regular nor'wester blizzard. Jarvis, like San Francisco, has a climate all its own—with the difference, of course, in our favor. It is doubtful if any citizen of Jarvis can recall another December and January in which the open winter was so common a feature here as it is this season.

Successful Meetings

The Eastern Ontario Winter Fair at Ottawa and the Western Dairyman's meeting at Woodstock during the past week were each very successful. The address delivered at each place were of great value to the agricultural and dairy interests, and if the latter is not extending as it ought in Ontario it is from causes that lack of knowledge. New Ontario butter is Canada's best and it is a pity a few years ago, but now it is a fact. Ontario dairyman complain of the lack of labor. There are various ways to meet that great difficulty, among them being increased use of power, better conditions of living, better pay and encouragement for the best class of dairy workers to settle down near the dairy farm in a comfortable house, with a good-sized plot of land.

Stadler-Thompson

A very quiet wedding was solemnized in Selkirk on Wednesday, Jan. 15, 1913, at the home of the bride, when Miss Florence L. Thompson was united in marriage to Mr. Ivan Stadler, both of Selkirk. Rev. Leibold of Selkirk performed the ceremony. Promptly at 11 o'clock the bride, leaning on the arm of her friend, Mr. Alfred Lamb, entered the parlor to the strains of the wedding march, played by Miss Waterbury of Selkirk. The bride was beautifully attired in a gown of white embroidered lawn. They were unattended. After the ceremony had been performed and the bride and groom had received many hearty congratulations, the guests were escorted to the dining room where a sumptuous repast awaited them. The gifts to the bride were numerous and beautiful showing the high esteem in which she is held by her friends. A very pleasant afternoon was spent in singing and music. The happy couple drove to Nelles Corners where they took the 6.20 train for Toronto and other points, where they will spend their honeymoon. The bride's travelling suit was of navy blue with hat to match. After the honeymoon they intend to reside near Selkirk. May they enjoy many happy years together and be endowed with good health and prosperity.

Cheapside

Mrs. Ed. Day has returned from a visit to her daughter Mrs. H. Hurst at Hagersville. Mrs. H. Hawthorne and John Long were delegates from the Baptist Sunday School to the S. S. Convention held at Selkirk on Friday. Bruce Long, wife and daughter of Calgary are renewing acquaintance in this vicinity. Many friends will indeed be sorry to learn of the sad and sudden death of Mrs. Wheeler, which occurred on Friday, Jan. 10th, of membrane croup, the remains being laid to rest in Lyn Valley. To the sorrow stricken husband and friends we extend our sympathy.

Sandusk

Mr. and Mrs. J. R. Taylor of Jarvis spent Tuesday at the home of Mrs. John Evans. The Women's Institute held their annual oyster supper on Wednesday evening last at the home of Mrs. Jos. Awde. About eighty-five members and guests were present. Tea was served from 6.30 to 10. After ample justice had been done to the oysters and good things provided by the ladies, games and music were indulged in, after which a short program was given, Mrs. J. R. Pond occupying the chair. The program consisted of the following numbers: Recitation by Hilda Long and Harold Pond, piano and violin selections by Misses Mand and Annie Waterbury and Gladys Hewitt, solos by Misses B. Thompson, Pearl Sternaman and H. McBurney. Short addresses were given by Messrs. Long, Pond, Atkinson and Tyrrell. The programme was brought to a close by singing "God be with you till we meet again," after which all retired to their respective homes. Mr. and Mrs. Calvin Bush spent Sunday at the latter's parents, Mr. and Mrs. C. Johnson. Mr. and Mrs. B. Lang and daughter visited "Chestnut Knoll" last week. A few from this burg attended Nanticoke dance Thursday last. Mr. and Mrs. J. R. Pond visited Mr. and Mrs. James Bush Sunday evening.

Rockford

Rev. Lounds preached a splendid sermon Sunday evening upon the little men of the Bible, Zacharias in the Sycamore tree. Quarterly meeting services will be held in this church next Sunday morning at 11 a.m. Sunday School will commence at 10 o'clock. Ladies Aid held a tea Tuesday, at the home of Mrs. Wm. Baulaugh. Rockford Sunday School was pretty well represented at the convention in Waterford. A large number attended and everyone would be benefited after listening to the very able addresses given in the interests of Sunday School work. Geo. Irwin and wife of Jarvis visited the former's parents on Wednesday of last week. We were sorry to hear of the death of Mrs. Marshall Porter's father, the late Mr. Rusling of Boston. Mr. and Mrs. Ira Caswell and Mrs. Caswell attended the funeral of the latter's niece, the late Mrs. Walter Wheeler of Cherry Valley on Sunday week. Mary Paskins spent over Sunday at his sister's who is ill at Shirkston near Welland. Mrs. J. Hair and Miss Laura spent over Sunday in Hamilton with Mr. Hair who has undergone an operation at the hospital. Miss Perkins visited on Sunday with her parents in Waterford. Jas. Priest and wife spent Sunday at John McPheerson's. Miss Mary Thompson is going to Welland this week to spend a month with Mr. and Mrs. Andrew Edlington. Mr. Kennedy who worked for Mr. Hall last summer has returned from Nova Scotia and has engaged with Ellison Somers for the summer. Mr. and Mrs. Wm. Howard is expected home from Holmesville this week. The Farmers' Club meeting will be held on Thursday evening in the school house. J. E. Smith is expected to deliver an address.

It is always that way, is it not? The finest gift of service of to-day must be followed up by something to-morrow or it will lose its fruitfulness and value. The loftiest achievement in character can never reach a safe resting place. Life's work is never done and life's beckonings is never over. The only stopping by the way that is justified is that which gives us new strength for better and harder tasks. We may complain at this and wish that it were otherwise; but it is the consummation of all courage to accept the situation and just keep on climbing up the hard, yet brightening way of better things.

Silver Wedding

Mr. and Mrs. Edward Harrop celebrated the 25th anniversary of their wedding on Saturday, Jan. 11th, at their cosy home, Hagersville. A large number of relatives and friends were present to congratulate them upon so auspicious an occasion and to tender them future good wishes. A dainty tea was served, after which congratulatory speeches were made by several of the guests. The popular couple received many handsome and beautiful gifts of silverware which will be highly prized as souvenirs of the occasion. The speeches by Messrs. T. Beswetherick, J. R. Pond, E. Roulston, J. J. Dixon, T. Harrop, C. Buck and others, were interspersed with gramophone selections. Rev. H. Caldwell presided, Mrs. Caldwell sang a solo and Mrs. (Dr.) Playfair played the wedding march. The decorations in pink and white added to the attractiveness of the home. Guests were present from Pt. Dover, Waterford, Bloomsburg, Jarvis, Garnet and Hagersville.

How To Make A Town.

The following article was published in one of our exchanges recently. If the advice given in it is followed out it would certainly help in building up a greater Jarvis.

Encourage everyone, especially new men to come in and settle among you, particularly those who are worthy and active; whether they have capital or not. Their labor alone is worth money. Those who have capital will buy lots, houses, or tear out and remodel old ones. Go to work and stimulate every legitimate enterprise by giving it all the friendly encouragement you can, and by uniting your industry, intelligence and capital cause advancement.

Cultivate a public spirit and talk less than you work. Help your neighbor. If he is in danger of breaking down, prop him up in some way, either by kind words, good counsel or a lift from your pocket. Do not get fairly down before you know of this situation, set him on his feet again, his misfortune is to be pitied, not blamed, and his talents and labor are worth money to the community. Besides it may some day be your turn to need a helping hand. Show your sympathy. Encourage your local authorities in making public improvements for the good of the town. Do not speak well, talk encouragingly of your neighbors, and in fact of everything likely to advance the public good. It is such little things that make a town grow. These things are insignificant when divided among all, but when concentrated into general effort they do the business thoroughly.

The Ontario Agricultural and Experimental Union at its recent meetings at Guelph discussed many subjects, but that of good seed was perhaps the most important. In the buying of seed the agriculturist is almost entirely at the mercy of the seed merchant. It is the credit of the majority of seed merchants that they are honest and desire only to sell the best seeds, but unfortunately they are in the business others who will lie and cheat when selling seed to a farmer. Laws are only for the evildoers, and stringent legislation for punishing the fraudulent seed man will help and not hurt the honest dealer.

In our voyage of life we must not drift, but steer.
