### Toil

He worked all night and he worked all day;  
He never hinted at all of pay  
For he loved the work that he was at,  
Though his sides grew hollow and his front grew flat.  
He was piling up wealth in golden store—  
That is, in his mind—for near a score  
Of years, and then one summer day  
He figured his income in this here way:  
"A printing-plant and mortgage note  
That balance each other sure gets my goat."  
Some creditors grinned, and one with a scoff,  
Said, "Star as you go, Old Top-Get off."

The easiest thing to cultivate is suspicion.  
The weeds need weeding out all over the town.  
Mr. and Mrs. D. M. Allen spent Monday in Simcoe.  
Take your friends as they are—not as they should be.  
Never say die until you are dead—and then it is no use.  
Love is the real thing until the newness begins to wear off.  
Harold Davidson was successful in passing his entrance exams.  
Much of the good we do would be much better if we didn't advertise it so much.  
Hanford's Balsam of Myrrh at Norfolk's Leading Harness store, Simcoe.  
Mrs. Elva Rodgers spent Sunday in Garnet at the home of Wm. Mc Murchy.

Andrew Rodgers spent over Sunday in Hamilton, at the house of his son Wesley.  
Mr. Rason, Hamilton, was in town on Tuesday and made the Record a business call.

G. H. Meyers of Hamilton is relieving R. R. Telford, Manager, Bank of Hamilton, who has gone to Simcoe to relieve the Manager at that place for two weeks.  
Mrs. T. E. Morrow left Tuesday for Gull Lake, Sask., where she will meet her husband, T. E. Morrow and after visiting her sons there they will go to Calgary and Banff.  
Wm. E. Mason, of Tyrell, has disposed of his World's Record Heifer Ardelia DeKol and two of her sisters for the neat sum of \$2700 to Mr. D. C. Flatt, Hamilton.

Mrs. Robt. Horn received a prick in the hand by a fish bone and is suffering from blood-poisoning. It did not improve and so it was found necessary to amputate her finger.  
Mr. Hicks, principal of Jarvis school has sent in his resignation and has been engaged by the Cayuga School Board to take charge of the school there. Mr. Robertson also resigned Room III, and Miss Foote has been engaged as teacher.

Mr. and Mrs. C. W. Fleming and family of Hamilton, Mrs. J. J. Erwin of Columbus, Indiana, Miss Helen Shoster and Eral Smartaman of Erie, Pa., are all at Woodlawn, and all report an excellent place to spend the summer days.  
Directly you see this Modern Royal Genealogical Chart you realize how little is known of this very interesting information, the reason being that the people have not been able to obtain it in so concise and simple a form. It therefore appeals to them at once. Call at THE RECORD and obtain one before they are all gone.

REMEMBER those who have gone. Don't neglect their graves and the head stones that mark their resting place. J. F. Mitchell, Aylmer, Ont. does all kind of cemetery work. Inscriptions cut and relettered, Headstones cleaned and set, monuments straightened, prices reasonable. Word left at the Record Printing Office with Mr. H. V. Mitchell, the work will be promptly attended to.

Paris, July 14.—Count De Kergerlay has just won in court an order granting \$200 rebate from an automobile manufacturer because the limousine he purchased from it had a roof too low to accommodate the high plume which his wife wore on her hat. The judge ruled that it was the duty of a manufacturer of cars of fashion to take account of the fact that long plumes are being worn.

The young ladies who participated were Misses Ethel Snyder, Shirley Rodgers and Bessie Austin. Miss Verna Walter, who was unable to be present at the last recital, will also take part. ### Obituary

#### SHUTER

Another link connecting the distant part with the present—gone and thereby leaving a cloud of sadness in this district over the passing away on Sunday, July 6th of Mrs. Wm. Shuter. For some days previous it was evident to her friends and loved ones that the end of her earthly existence was drawing to a close. Mrs. Shuter has been ailing for some time being troubled with Sciatica when it took a more serious form, Neuritis setting in causing her demise. Of the many fine features of her character to admire, not the least was the sound, good common sense, utter dislike so anything approaching sham, and the warm hearted interest she took in the welfare of others. She was born in Walpole in the year 1837, and in 1860 when quite a young girl was married to Wm. Shuter, of Walpole. With this union 3 sons and 4 daughters blessed their married life, John, Robt. and William; Rachael, Edith Maggie and Minnie. The funeral took place on Tuesday at the Stone church. The friends and relatives have the sympathy of the whole community in their bereavement.

#### MEEHAN

Oh, mother thy gentle voice is hushed,  
Thy warm, true heart is still;  
And on thy pale and peaceful face  
Is resting death's cold chill;  
Thy hands are clasped upon thy breast,  
We have kissed thy lovely brow;  
And in our aching hearts we know,  
We have no mother now.  
On Tuesday, July 8th, after many months of patient suffering a soul passed beyond the clouds in the person of Mrs. Mary Meehan, wife of the late Wm. Meehan, in her 67th year. Mrs. Meehan was of a quiet, retiring disposition, loved her home and family and it is those with whom she lived, know her worth and feel her loss. For many years left a widow to struggle with the world, and care for her little family, in providing for their daily wants and educating them. She struggled on most bravely and it can well be said of her, "She hath done what she could." She leaves to mourn her loss four sons, William, of Brooklyn, Albert, and Andrew, Garnet, and John, Nanticoke. The remains were laid to rest in St. Paul's church on Friday last and was followed by a very large number of friends who paid the last respect to one who was loved by all.

### Married Men Took Two

On Friday, July 11th, the single men challenged the married men of this place to a game of base ball. The challenge was accepted and the game called at 6.30 sharp. At the start the game looked to be a good exhibition but the married men got their batting eye on the ball, (such as they had often on the rolling pin) and there was nothing to it but a win for them by a score of 10-7. On Tuesday night the single men stung by the defeat of Friday night were out to win but fell away short, the fair husbands taking the last game by a score of 17-3. There was a fair attendance at both games but the boys would like to see all who can possibly come, attend. See sign in front of Bank of Hamilton for next game which will probably be Friday night.

### CHIROPRACTIC

Is the science of removing pressure from nerves. The spinal column is the only place nerves pass between two hard bony surfaces, that are movable, therefore, practically the only place nerves can be impinged or the nerve constricted, and it matters not what part of the body or organ is affected, the cause may be in the spinal column. Chiropractic is the only science that removes the cause of diseases without pain, medicine or surgery; nothing but the hands. The whole object is accomplished when the nerves are released. Paralysis, deafness, loss of voice, catarrh, gall stones, overweight, rheumatism, appendicitis, neuralgia, neurasthenia, eye, ear, throat, lung, stomach, liver, kidney, bladder trouble, and all diseases quickly and permanently disappear under Chiropractic adjustments properly given.

Analysis and consultation free. Let me tell you where you are affected by examining your spine.

Because it is new to you, do not say, "it is impossible."

At Mrs. R. Sharp's, Jarvis, (next to Bank of Hamilton) on Mondays, Wednesdays and Fridays from 10 a. m. to 12 noon.
