My Own Work

Let me do my own work from day to day. In field or forest, at the desk or loom. In roaring market-place or tranquil room.
Let me but find it in my heart to say.
When vagrant wishes beckon me astray.
"This is my work, my blessing, not my doom."
Of all who live, I am the only one by whom
The work can best be done in the right way.
Then shall I see it is not too great nor small,
To suit my spirit and to prove my powers;
Then shall I cheerfully greet the laboring hours,
An cheerfully turn, when the long shadows fall.
At eventide, to play and love and rest
Because I know for me my work is best.

A pretty wedding was solemnized at "Maple front" home of Mr. and Mrs. J. N. Jubilee Services

Most successful services, celebrating the fiftieth anniversary of the building of Chalmers' Presbyterian Church, Walpole, were held on Sunday and Monday, June 15th and 16th. This congregation has a history extending back to the early days of settled life in Haldimand County. Nearly 70 years ago when this Country was still a dense forest, the original inhabitants of this neighbourhood: English, Irish and Scotch, a sturdy, God fearing people, facing all the hardships of pioneer life, were true to their religious instincts, and soon erected a place of worship. In this little wooden Church, services were held from time, until the coming of the Rev. John McRobie in October, 1867, who was the first settled minister of the united congregations of Knox Church and Chalmers' Church, Walpole. In 1863 the present building was erected. This building, a fine stone structure (at the time of its erection said to be one of the finest churches West of Toronto) is a noble testimony to the sacrifices the early settlers of Walpole were ready to make for the worship of the God of their Fathers.

It was planned that the Sabbath Services, morning, afternoon and evening, should be conducted by the past ministers of the Church, viz: Revs. John McRobie, now of Petrolia, Jno. Wells, M.A., of Toronto, Geo. A. MacLennan, B.A., of Chateaugay Basin, Quebec, and D. M. Buchanan, B.A., Rouleau, Sask. The Rev. Thos. Mc Guire, minister of the congregation 1874-1881, having died about two years ago. Only Mr. McRobie and Mr. Buchanan were able to be present, the former preaching in the morning, and Mr. Buchanan preaching afternoon and evening. Mr. McRobie who is in his 88th year, and under whose ministry the Church was built, preached with remarkable power and vigor from I. Peter, 1, 8. He is one of the few survivors of that noble band of men who laid well the foundations of Christianity in our province. The following clipping from the Church Record of December, 1887, will be read with interest by many in Haldimand and Norfolk Counties. "The Presbytery of Hamilton met at Walpole, Oct. 21st for the purpose of ordaining the Rev. John McRobie, to the pastoral charge of the United Congregations of Walpole and Jarvis in connection with the Presbyterian Church of Canada."

Rev. G. Cuthbertson, gave an able and appreciative lecture from Luke 9: 32-36. Rev. R. Jamieson presided and put the usual questions to Mr. McRobie, who having answered them satisfactorily, was set apart by prayer and the laying on of the hands of the Presbytery to the pastoral charge of the Congregations and received from the Presbytery the right-hand of fellowship. Mr. Block addressed the minister and Mr. Craigie upon their respective duties, etc.

Mr. Buchanan preached able sermons afternoon and evening from John 14: 8, and Luke 15: 31-32, respectively. He has heard the call of the West and is rendering faithful services to the Master in Rouleau, Sask. Large congregations attended all the services. In the afternoon the building was too small to accommodate the large numbers who came to hear their former pastor preach.

On Monday evening a reunion and entertainment was held. A substantial supper was held from six to eight in the Orange Hall opposite the church. After supper the large company betook themselves to the Church where a good program of speeches, etc., were given. Rev. McRobie delighted the audience with reminiscences of the old days. The burden of his address was the importance of the worship of the "Divine Being."

Mr. Buchanan gave an outline of Canada's great western heritage, with its splendid possibilities. The Rev. A. H. McMillan, B. A., of St. Johns, Hamilton, was the only representative of Presbytery, and gave a most interesting letter on "Our Highland Heritage." He told of the valuable contributions the Highlander had given to our country. A number of inspiring and instructive. A number of solos and duets were rendered by Lorne and Miss Davidson of Hamilton, accompanied by Miss Sutton, this being their first appearance on platform in this vicinity. Both the appropriateness and the rendering of their selections have assured for them a hearty welcome anytime they return to Walpole in the future. The chair was occupied throughout the evening by the Rev. J. R. McCrimmon, minister in charge.
