Why a man has been pushed to the front through a pull.

There is only one way of building up a men's clothing business like FALLS store enjoys, and that is to make sure of next seasons' business by serving well in the business that is. That has been FALLS rule for about a quarter of a century, and it is our rule to-day more than ever. Boys' suits at \$2.50 to 12. Men's suits ready at \$5 to 25, that will cost you a couple or three dollars more at some other store.

While a large steam derrick over the M. C. R. bridge at Cayuga was at work on Thursday removing a heavy portion of the iron bridge, the machine in some manner toppled over into the river 75 feet below. Two or three workmen jumped to the bridge in time to save their lives just a moment before the huge piece of machinery took the plunge. The derrick now lies in 15 feet of water under the bridge.

Will Spend \$900,000.

An expenditure of \$900,000 on roads of Ontario during this year, \$150,000 more than was spent in 1912, is being figured on by the Provincial Good Roads Department. Mr. W. A. McLean, Provincial engineer of highways, said that the work would start early in the Spring, and 2000 men will be needed. The money will be spent in twenty counties.

Two of the debaters for the affirmative were absent but two others consented to take their place and many good points were brought out on both sides. The judges deciding in favor of the negative. The meetings have been a means of instruction as well as amusement and the whole series have been a decided success. The meeting was closed by the president and a hearty vote of thanks was given to all those who had in any way assisted in making the meetings a success. The severe windstorm that swept over the country on Friday last did considerable damage in this neighborhood, windmills, out-buildings, barns, fences, etc., suffering more or less, hardly anyone escaping without some damage being done to their property. Can You Afford to Advertise?

The question of whether or not a merchant, with small resources Can Afford To Advertise is merely a part of the larger question of whether or not he can afford to be in business at all! The "small store" may serve a small niche of usefulness or convenience simply because of its location. But if it is to be at any time, a store of any consequence to occupy the attention of a full grown man or woman, it must grow. The timid merchant cannot see how this can be accomplished—without "capital." The answer is rather simple. If such a merchant will decide to expend in an advertising campaign, in one newspaper, ten per cent of his gross receipts—using the space wisely—he will at once start that store-growth which leads surely and sometimes quickly, to the realization of the bigger-store dream.

Mr. and Mrs. Thos Smith and daughter of Vittoria have been attending the former's sister, Mrs. Margaret Rodgers, who passed away last evening.

In Memoriam

ARTHUR JACKSON

The awfully sudden death of Mr. Arthur Jackson, of Nanticoke, on Friday morning March 13th, cast a gloom over this peaceful community. Mr. Jackson having been at work as usual on the previous day and making no complaint of being ill in any way. About 3 a. m. his little daughter sleeping in a cot close by called to her father to take her in with him. Not answering, his wife aroused and to her horror found her husband was dead. Her feelings can only be imagined they cannot be described. The deceased was a hard working man much respected by the whole community and his funeral was largely attended on Sunday. Services were held in Christ Church by the Rev. Mr. Brett, of which he was an esteemed member. Many beautiful floral tributes decorated the oak casket as it was borne to its last resting place, the pall bearers being, Messrs Stanley Fields, Evans, Snowdon, Hind, John and Edgar Meade. Mr. George Thompson acted very efficiently as undertaker. The family of the deceased has the deep sympathy of the whole community.

Obituary

Mary Ann Hoover was born April 15th, 1854 in Rainham Township, died at her home on the Rainham Road, 1 1/2 miles west of Rainham Centre on Sunday, Mar. 16, 1913, age 57 years, 11 months, and 1 day. She was married to Mr. Arthur Youm, a farmer in Rainham Township on Dec. 25th, 1876. To this union was borne one son, George Harvey, who resides on the homestead. She leaves to mourn her departure a sorrowing husband, one son and three brothers—Daniel, David and Peter, farmers in Rainham Township, and seven sisters—Mrs. Richard Rushton near Selkirk, Mrs. Hiram Gies of Fisherville, Mrs. George Hoover, Chicago, Phoebe at home with her brother David of Rainham Township, Mrs. Albert Lebeck, Detroit, Mrs. Abram Huber of Litch, Pa., and Mrs. J. Campbell of Nelles Corners. Mrs. Youm was the mother of a large family to answer the summons from on high. We believe she was ready and prepared to meet her God in Peace. She began to grow weaker and weaker since New Years, and took to her bed about six weeks ago and from then began to decline gradually till she peacefully fell asleep on Sunday evening last. The funeral will take place on Thursday afternoon. "Many are the afflictions of the righteous but the Lord delivereth them out of them all."—Psa. 34, 19.—Haldimand Advocate.
