Walter Lamb left this week for the West.

Miss Ruby Sharp visited in Ren-ton recently.

We hope she may live to see her 97th birthday.

Fred Newman spent Sunday on the Niagara Peninsula.

Many who shout loudest for home rule are ruled at home by their wives.

Don't forget to read T. E. Morrow's ad and note the bargains he has for sale.

Miss Lucy Henning had the misfortune to sprain her ankle on Tuesday.

Edward Porter of Winnipeg is visiting his parents, Mr. and Mrs. Wm. Porter.

Be pleasant every morning until ten o'clock, the rest of the day will take care of itself.

The Women's Institute was entertained by the Nanticoke Institute on Wednesday last.

Mr. McAlpine, teller in the Band of Hamilton here, spent Sunday at his home in Hamilton.

Mrs. L. MacFarlane is spending a week with her parents, Mr. and Mrs. Britton, Cheapside.

Mrs. D. Hind of Caledonia and little granddaughter, Margaret Berry visited Miss Hind to-day.

Jarvis is to celebrate Victoria Day in a right royal manner. See posters to see the attractions for the day.

Mr. and Mrs. Geo. Histed spent Sunday with the latter's sister's at Simcoe. Their little niece returned with them.

Mrs. Wm. Dick and Miss Mason of Hamilton are spending a few days at the home of their father, John Forest of Erie.

The Jarvis boys went to Hagersville on Friday last and played a friendly game of baseball, beating them by a score of 15 to 10.

DIED—In Jarvis, at the residence of her nephew, Thos. H. Lewis, L.D.S., Mrs. Ellen Cover, relict of the late William Cover, R. A. M., England, in her 74th year. Funeral was held on Monday, May 12th, when a short service was held at the house after which the interment at St. Paul's church cemetery.

Port Colborne, May 13.—The steamer Sequin, downbound, loaded, and the steamer Masaba, up-bound, light, were in collision in the Welland Canal near here this afternoon, and both boats were seriously damaged. The Masaba has a large hole in her bow, penetrating the forward compartment, and repairs to four plates will be required. The upper works of the Sequin were badly cut up.

If a man had a fifty dollar pup he would look after it carefully and not let it have the run of the town day and night. But it is different if he has a child. They are turned loose at a tender age to go as they please. People wonder where the great army of tramps, dead beats, gamblers, and disreputable women come from. They are germinated from the seed gathered in countless homes and sown broadcast upon the streets of our towns and cities. There are thousands of children who are heading in that direction who, as far as care is concerned, are not equal showing with a valuable pup.

Don't be a growler. Some people contrive to get hold of the prickly side of everything; to run against sharp corners, and disagreeable things. Half the strength spent in growling would often set things right. You may as well make up your mind to begin with, that no man ever found the world quite as he would like it; but you are to take your part of the trouble and bear it bravely. You are sure to have burdens laid upon you that belong to other people, unless you are a shirker yourself, but don't grumble. If the work needs doing, you can do it, never mind about that other who ought to have done it and didn't. Those workers who fill up the gaps and smooth away the rough spots, and finish up the jobs that others leave undone, are worth a whole regiment of growlers.

Everyone will be interested when they know that, Walter Edwards, Humorist of Toronto, is again to be the entertainer on the evening of Saturday, May 24th. This is not the first time he has visited Jarvis and the people who heard him then will remember he was above the ordinary in this line. He is called "Walter Edwards, the funny man."

He sings some songs that are bound to make one laugh and unlike some comic vocalists he has a voice to back up his originality. He will be assisted by Miss Mildred Walker, elocutionist and soloist. Miss Walker is fast becoming known as one of the cleverest lady entertainers of to-day and there will be a pleased audience who are fortunate enough to listen to this well trained entertainer. Be sure and buy your tickets before the evening of the 24th and hear these high class performers.

James Maloney is spending a few days in town.

Mr. and Mrs. Geo. Holland was in town on Monday.

Mrs. Dan Steel spent a few days in Hamilton the first of the week.

Last Thursday Mrs. Dougherty had a birthday. She was 87 years.

T. E. Morrow has sold his grocery store and intends moving to the West. T. E. is having special sales in China, Crockery and Glassware as he must have his entire stock cleaned out by 1st of June. To see the bargains is to buy.

A. G. Smith, one of our most prominent young men left on Tuesday for the West. For the past two years he was a valued employee of E. T. Carter, hardware merchant of this town. We predict a brilliant future for this young man and hope whatever he undertakes will be crowned with success.

Her Majesty, Queen Mary, has consented to unveil the Stoney Creek Monument on June 6th, the one-hundredth anniversary of the battle, and the centennial of peace. Some months ago, through the Hon. the Minister of Militia, an invitation was sent to Her Majesty, and Mrs. Calder, President of the Woman's Wentworth Historical Society, is in receipt of a message from Her Majesty, announcing that Queen Mary will not be there in person, and the unveiling will be done by wire. Her Majesty will press a button at Buckingham palace and that will release the drapings and unveil the monument at Stoney Creek.

The new capital of Australia, which is to be built in New South Wales, has been named Canberra. The ceremony of naming the projected city and laying the foundation stones of the commencement column was carried out March 12th by the Governor general and a numerous company of officials and military. The commencement column, which stands before the sight of the capital building, will, if possible, be composed of stones from all parts of the British Empire.

When a man drops a piece of meat on the floor, no difference how clean the floor may be, he will either give it a kick or pick it up and lay it aside. He will never eat it. But let him drop his plug of tobacco on the street, and no difference how dirty the street may be, he will pick it up, give it a careless swipe on his coat sleeve or on the bosom of his pants, and then take a big chew from it with a keener relish than ever. This is the kind of a vitrified brick man is.

No family can afford to do without music. It is a luxury and an economy; an alleviator of sorrow, a spring of enjoyment, a protection against vice and an incitement to virtue. When rightly used, its effects, physical, intellectual and moral, are good, very good and only good. Make home attractive; music affords a way of doing this. Constitute kindly feeling and love. Music will help in this work. Keep out angry feeling. Music hath charm to soothe the savage beast. Show us a family where good music is cultivated, where the parents and children are accustomed to mingle their voices together in song; and we will show one where peace love and harmony prevail, and where angry voices have no abiding place.

## Notice Is Given Now

That FALLS store, Simcoe, will be open Saturday, May 24th, and close all day Monday, May 26.

Hicks' May Forecasts.

A regular storm period, and the Mercury period both have their centers on the 16th. While the effects of the Mercury disturbance will be apparent from about the ninth to the 20th, it will be felt in greatest power during the storm periods within the Mercury brace. This will be especially true on and about the 16th, 17th and 18th. The Moon being in perigee and on the celestial equator on the 15th, electrical and wind storms of great energy are apt to appear on and touching that date. No intelligent person who has ever proved the worth of a good barometer, especially at such times as this, would be without one for any consideration.

### Obituary

Again death visited our village and claimed one of the business men. One by one, beyond recall, our lives go out. Death has no respect of persons, the aged, the young, all have to answer to his call. On Saturday morning Wm. Buntin passed away, in the sixty-fifth year of his age. Mr. Buntin had been in poor health all winter, very often not being able to be in his place of business. About five weeks ago he was taken worse, and although able to be around the house nearly every day he was unable to be out. On Friday he was bright and cheerful, laughing with those who chanced to call, but death was hovering near and he was suddenly stricken with a paralytic stroke from which he never regained consciousness and he passed away Saturday.

Mr. Buntin, with his wife, came to Jarvis some sixteen years ago, started a grocery store in the building joining the Drug Store and continued the same until the time of his death. He was a member of the I. O. O. F. Order. He leaves a wife to mourn his loss. His remains were taken to Port Perry on Monday morning, accompanied by the sorrowing widow, Mrs. Young of Erie, Pa., a sister and a brother, Robert Buntin of Peterboro. D. M. Allen and J. S. Burwash representatives of I. O. O. F. No. 191, accompanied the mourners to Port Perry where interment took place Tuesday afternoon. The widow has the sincere sympathy of all in her bereavement.

### Earewell Dinner to Mr. E. W. Anderson

FIRM AND EMPLOYEES OF MADILL & CO. ENTERTAIN

A farewell banquet was given at Sunnyside Place on Monday evening by the firm and employees of Madill & Co. to Mr. C. W. Anderson, formerly with the firm on his retirement from the business, having been a partner for the last twelve and a half years. Dinner was served in the large spacious parlor of Sunnyside, thirty-five in all sitting down to a full course dinner, which was greatly enjoyed by all, the service being excellent. After dinner the evening was opened with a toast to the King. Mr. John Madill, in the chair, very ably tendered the toast to the guest of the evening. Mr. Anderson responded in a few well-chosen words, expressing his feelings towards his old associates in business. The toast to the ladies was very ably handled by Mr. Newman, a traveller of long standing for the firm of Winter & Co., followed by a neat address on behalf of the employees of the firm, which was read by Mr. A. H. Wilson while Miss Reynolds handed to Mr. Anderson a handsome Club bag and to Mrs. Anderson a beautiful bunch of roses. Mr. Anderson, although taken by surprise, replied very fittingly to the occasion.

Speeches were then made by Mr. J. Hocking, F. G. Golding and son, Mr. F. Tindale, of Gordon McKay & Co., Mr. E. L. Cole of L. McIntyre & Son. Telegrams were also received from Mr. McDonald and McIntyre & Sons who regretted a short note of regret from Miss McKinnon, the head milliner, who was not able to be present, was also received.

The rest of the evening was taken up with music and dancing, which was brought to a close by singing Auld Lang Syne.
