Sent Savings to be Ground

Paris, Nov. 2.—A wealthy land owner at Anglure-sous-Dun, Saone-et-Loire, who has a profound mistrust of banks, secreted his gold and silver in sacks of corn in his barn. Forgetful of his savings he sent the corn to the village mill to be ground into flour. The result was that all his treasure was ground to a powder.

You Get Bilious
Because Your Liver is Lazy

You get a bilious attack when your liver refuses to do its work. The bile does not flow. You become constipated. Food sour instead of digesting. You have that "bitter as gall" taste. The stomach becomes inflamed and inflated. Turns sick- vomiting, and violent headaches.—The best preventative and cure for biliousness is Chamberlain's Colic, Cholera and Diarrhoea Remedy. They make the liver do its work—strengthen the digestive organs and restore to perfect health. 25c a bottle. All Dealers and Druggists, or by mail.
