Grant-Sutton

A very pretty wedding took place last evening, Wednesday, Nov. 26th, at the home of the bride's parents, Kent street, Simcoe. The ceremony was performed by Canon Hicks, of Trinity Church, at 7:30 o'clock. The contracting parties were John R. A. youngest son of Mr. and Mrs. Stephen Grant, of London, Ont., and Georgina Besse, younger daughter of Mr. and Mrs. John Sutton. The bride is one of the most popular of Simcoe's younger ladies, and has been, since attaining womanhood, regarded as the fairest of the town's daughters. Last night as she stood to plight her troth to the man of her choice, she was certainly a sight to look upon. Her bridal gown was of ivory charmuse, draped in real lace and pearls, with a square train. The veil was arranged in a "Juliet cap" effect and trimmed with orange blossoms. The bouquet was of white roses, lily of the valley and orchids. Miss Muriel Hicks, the bridesmaid, was gowned in white satin, with American Beauty roses. Mr. Stanley B. Sutton performed the duties of groomsmen, and the bride, presided at the piano. After the ceremony, Mr. and Mrs. Grant received the warm congratulations of all present. Refreshments were afterwards served and the bridal couple took the Wash express for western points, the bride travelling in a blue cheviot gown with hat to match.—Simcoe Reformer.

Married

At St. Thomas' Church, Toronto on Monday, November 26th, the Rev. C. Anson Sharp, U. A. Rector, officiating, the marriage was solemnized of Miss Clara, only daughter of Mrs. John Y. Miller, of Guelph and Jarvis, to Mr. Harold Weston of the Rockefeller Institute, New York, eldest son of Sir William Wasteneys, of Felixstowe England. The bride was given away by her mother, and attended by Miss Helen McEwen of Toronto. The groom was attended by Dr. Burchard of Washington, D. C. Mr. and Mrs. Wasteneys left by the afternoon train for New York where they will reside.

Disastrous Fire at Vienna

Willis Reece of Vienna met with a heavy loss on Thursday morning last, when his barn, sheds and stables were entirely destroyed together with their contents, which consisted of all his hay, unthreshed grain and implements. What makes the catastrophe all the more deplorable is the fact that no insurance was carried on either stock or buildings. A few moments before the fire broke out, Mr. Reece was working in the granary and it is supposed that some matches were accidentally drawn out of his pocket along with his knife, which he had occasion to use, and by some means they became ignited. Mr. Reece had gone out to engage threshers and they would have been on the job an hour later. Mr. Reece estimates his loss at \$2000 at least.

Rockford

Although the weather was very unfavorable on Sunday, a goodly number availed themselves of the opportunity of attending communion service and listening to Rev. Lounds discourse on "Free Pardon" from Isa. 42, "I, even I, am He that blot out thy transgressions for my own sake, and will not remember thy sins. The quarterly official board met in the church Monday afternoon.

League on Wednesday evening as usual. The missionary committee has charge of the topic.

The Sunday School will open next Sunday at 10 o'clock. Our school will take up the Temperance lesson and we expect a Temperance program. In the evening Mr. Lounds will preach on Temperance.

On Monday evening the Epworth League concert was held as per announcement and was a decided success. Little Gabrielle Hamel of Hamilton more than delighted the audience with her splendid recitations. The little one, who is but eleven years old is certainly a natural born musician and was applauded again and again. There seemed to be no limit to her pieces. Some thought the price of admission was rather high but the majority of them went home well pleased with the night's fun. The Villa Nova Orchestra rendered splendid service and their different selections were well received. Those that failed to be present missed the treat of their lives.

Mr. W. Edwards of Simcoe has been visiting her father, Mr. Arthur Jones.

Oldest Freemason

The Glasgow Weekly Herald of a recent date has the following: Bro. James B. Christie of Glasgow is the oldest Freemason under the Scottish constitution, and so far as is known, the oldest member of the craft in the world. He is 94 years of age, and for 75 of these has been enrolled a member of the Order in the books of Dumbarton (Kilwinning), Lodge No 13. The other day the Dumbarton Masons had the honor of Brother Christie's presence in the lodge room, when they presented him with an illuminated address, as a memento of his unique position in the Masonic Order. The claim thus made on behalf of Bro. Christie is disputed by Amity Lodge, No. 32, Dunnville, in favor of Bro. Archibald Cooper, who is in his 75th year as a Mason, having been initiated under the Scottish Rite in Royal Arch Lodge, Pollockshaw, Glasgow, September 17th, 1828. Bro. Cooper is still active and hearty, and is likely to enjoy his unique distinction for some years to come.—Dunnville Gazette.
