On account of the wet weather on Friday last the Cayuga Fair directors had to call off all the horse racing and other attractions. The first day, Thursday, was a perfect Fair day and everyone got ready for a big day on Friday, but the incessant rain all morning till two o'clock in the afternoon, put a big damper on everything, and the committee called the races off. A large number of good horses than usual were present to take part in the races.

CHRONIC DYSPEPSIA

The following unsolicited testimonial should certainly be sufficient to give hope and courage to persons afflicted with chronic dyspepsia: "I have been a chronic dyspeptic for years, and of all the medicine I have taken, Chamberlain's Tablets have done me more good than anything else," says W. G. Mattison, Ny 7, Sherman St., Hornellsville, N. Y. For sale by ALL DEALERS.

The Port Dover Maple Leaf says, "the fish tugs continue to secure record lifts. The other day Jim and Tom had 7,740. The greatest past record for this tug, we believe, was six tons for an over night set and lift."

The "Vigilant" seized about 70 nets off Long Point on Wednesday last week, although they did not contain any fish and could not have been set very many hours. There were no foreign tugs in sight.

Smile and save your appendix, is the advice of John Hopkins University specialists. Appendicitis and other intestinal troubles are due to grouches, they declare. This declaration should have the effect of cheering up this old world considerably if people will only accept the advice.

Books can carry typhoid germs if handled by the patient or nurse during illness. The tuberculosis bacillus can live in books for months. Books that have been in a sick room, if the disease of the patient is contagious, should be carefully fumigated before being sent elsewhere.

CARD OF THANKS.—To the kind friends and neighbors who so willingly assisted us and extended sympathy in the loss of our beloved daughter and sister, Marguerite, we wish to express our heartfelt thanks; also to those sending flowers. May the day be far distant for such sorrow to enter the homes of the many who visited us in our sad bereavement.—Mrs. Rachael Sharp and Family.

Many persons are puzzled to understand what the terms "four-penny," "six-penny," "ten-penny" means. Four-penny means four pounds to the thousand nails, and six-penny means six pounds to the thousand nails, and so on. It is an English term and meant at first "ten pounds" nails (the thousand being understood) but the English clipped it to "ten-penny" and from that it has degenerated until penny was substituted for pounds.

Howey-Ross

A very pretty church wedding was solemnized in Christ Church, Nanticoke, on Wednesday morning, September 24, when Miss Kate Ross and Mr. Alfred Howie, both of this place, were married. The marriage ceremony was performed by Rev. Mr. Brett, after which the happy couple left for Detroit and other American cities. We expect they will live in Nanticoke, as Mr. Howie and the bride's father have gone in partnership in a general store. We wish them both success.

AVOID SEDATIVE COUGH MEDICINES

If you want to contribute directly to the cure of capillary bronchitis and pneumonia use cough medicines that contain codine, morphine, heroin and other sedatives when you have a cough or cold. An expectorant like Chamberlain's Cough Remedy is what is needed. That cleans out the culture beds or breeding places for the germs of pneumonia and other germ diseases. That is why pneumonia never results from a cold when Chamberlain's Cough Remedy is used. It has a world wide reputation for its cures. It contains no morphine or other sedative. Thoroughbred Shorthorns.

An Auction Sale of Cattle, Etc., to be held in Jarvis on October 11th, the property of Joseph Ivey.

Auctioneer Deming has received instructions to sell by public auction, rain or shine, on lot 5, concession 8, within the corporation of Jarvis, on Saturday, October 11th, one of the largest and best pure-bred Shorthorn sales held in this section for some time. At the same time a valuable lot of horses will be sold, as well as implements and other articles, the property of Mr. Joseph Ivey. This sale includes an immense amount of valuable property and farmers will do well to attend. Remember the date, Saturday, October 11th. See posters, and advertisement in next week's Record with complete list of animals and articles, also full particulars of sale.

Church Burned

The Townsend Centre church was struck by lightning early Thursday morning of a week ago and burned. There was no insurance. The Baptists at Townsend Centre have no deed of the property and consequently there was no person to whom the insurance could be made out to. It seems this property originally belonged to the Free Will Baptists and they all died or moved away, and finally the late John C. Messer was the only one left representing this congregation. He gave the present Baptists free use of the property so long as used for church purposes. It is likely a new church will be built if a clear title to the property can be secured by process of law.

A Cup Load of Peaches.

The Marburg correspondent of the Port Dover Maple Leaf had the following item in the budget of news last week:—

Joseph Gilbertson, of Simcoe, went to Jarvis on Saturday with a load of peaches as large as a cup, and could not sell them or give (?) them away.

We admit that the majority of Jarvis' homes have had an overflowing peach basket this season, but had this particular vendor called on The Record, we feel certain the printer's devil would have licked up the entire load with no apologies to his inner nature.

Workers or Shirkers?

Those dairy farmers who are carefully noting the total production of each of their cows for the season are finding some curious differences. For instance, in one Ontario herd the yield of a 9-year-old grade that freshened March 5th was 4,080 pounds of milk up to the end of July her stable mate, also 9 years old that freshened March 12th, receiving the same feed and care gave only 2,970 pounds of milk. Over half a ton of milk in that short period indicates a considerable difference in income between the two cows. In another herd at the same factory between two six-year-olds that calved April 3rd and 4th, there is a difference of 1,450 pounds of milk and 60 pounds of fat up to the end of July. This means between \$14 and \$15 that one cow earned more than the other. Are your cows workers or shirkers? Dairy records alone will provide the means of ascertaining these facts beyond question. Forms for weighing milk either daily, or on three days per month, are supplied free by the dairy division, Ottawa. In your letter of application state which you want.

Autumn Weddings

"What is there in the vale of life Half so delightful as a wife; When friendship, love and peace combine To stamp the marriage bond divine?" —Cowper.

Bates-Rodgers

On Tuesday, September 30, at high noon, in the Methodist Church, Jarvis, Ontario, the marriage was solemnized of Shirley Inez, only daughter of the late J. W. and Mrs. Elva Rodgers, the present proprietress of The Jarvis Record, to Mr. Walter George Hamilton Bates, tenor, churchmaster of Emerald street church, Hamilton. The beautiful double ring nuptial service was observed, in the presence of some seventy-five guests, Rev. F. C. Draper, of Acton, Ontario, cousin of the groom, assisted by Rev. J. G. Foote, pastor of the Jarvis Church, officiating. The church was very prettily decked with flowers and vines, Mrs. Cross, of Simcoe, presiding at the organ and rendering Lohengrin's wedding march as the bride entered leaning on the arm of her mother, who gracefully performed the duty of presenting her daughter to the waiting groom. The ceremony was solemnly and impressively performed in the presence of a vast assembly.

The bride was daintily gowned in ivory satin with trimmings of pearl and lace. She wore the customary bridal veil and orange blossoms and carried a beautiful bouquet of white carnations.

Mrs. Rodgers was very becomingly attired in a beautiful rich black satin with trimming of Irish lace, and hat of black to match.

Mrs. Bates, mother of the groom, was richly costumed in black satin relieved with mild mauve trimming, and wore a hat to match. The groom was attired in the conventional black.

During the signing of the register, Miss Ethel Snyder, a pupil of the groom, very sweetly sang, "Because," and as the bridal party left the church Mendelssohn's wedding march was played by Mrs. Cross and Miss Snyder, ruby and pearl brooches, to the ushers, Messrs. Clifford and Frank Rogers, brother and cousin of the bride, gold stick pins.

After the ceremony, the bridal party and invited guests repaired to the home of the bride's mother where a dainty wedding dinner was served, the tables being attended by eight young ladies, friends of the bride. The home was gayly decorated with asters and vines, the blinds being drawn and the lights turned on to a brilliancy which lent much pleasure to the happy occasion. After full justice had been done to the many good things provided, the usual toast to the bride was proposed and responded to in a most able manner by the happy groom.

Mr. and Mrs. Bates, amid a shower of confetti and the hearty well-wishes of the entire company, then motored to Hagersville, where they entrained via the M.C.R. for Detroit, Toledo and other points west. The bride's going-away gown was of brown cloth with hat to match.

The numerous, costly and beautiful ornamental and useful presents, which almost filled one room, testified very strongly of the bride's popularity with friends far and near.

Guests were present from Hamilton, Toronto, St. Catharines, Simcoe, Tilsonburg, Aylmer, Caledonia, St. Paul, Wis., Big Rapids, Mich., Acton and other near by Ontario points.

Mr. and Mrs. Bates will be at home, 104 Garfield avenue, Hamilton, after the 8th of October.

The Record joins with their many friends in extending best wishes for their future happiness and prosperity.

Ferris-Morrison

On Wednesday, September 24, the home of Mr. and Mrs. Edward Morrison, of St. Williams, was the scene of a pretty event, it being the marriage of their youngest daughter, Shirley Beatrice, to Angus Allen Ferris, of Port Rowan.

At three o'clock, a silence fell over the little gathering, who had been invited to witness the joys of two hearts made one, when Mr. J. Taylor, aunt of the bride, attired in a magnificent gown of blue plush trimmed with duchesse lace with touches of burnt orange, entered the drawing-room and seating herself at the piano played Mendelssohn wedding march. A beautiful arch of white asters and ferns, had been arranged for the bridal couple and as the bride entered the drawing room upon the arm of her father, no fairer picture could be seen than this tall graceful, handsome girl gowned in a dress of ivory satin, a marvel of elegance combined with rare simplicity, and carrying a bouquet of bridal roses, took her place beside the groom and the sweet and sacred and solemn words, "Till death do us part" which joined two happy young hearts together, was performed by the bride's old pastor, Rev. Mr. Schofield of Burlington.

After the congratulations were over they were ushered into the dining room, where a very tempting, dainty lunch had been prepared. At the conclusion toasts were given to the bride and groom. Mrs. Ferris was beloved by the whole community and her unfailing good humor, with beauty and charm, conquered the hearts of many, who are indeed sorry to see her going away, but trust her kind words and genial smile will soon find their way into the hearts of those with whom her lot will be cast.

The bride's going away gown was a brown suit with hat to match. At five o'clock they were motored away to Simcoe amid showers of old shoes, confetti, rice, good wishes, etc., to take the Wabash to Buffalo. Before returning they will visit Michigan and other points. The presents were indeed beautiful and costly but space prevents us to itemize the many pieces of cut glass, silver-ware, painted china, bank bills, etc. The parents of the groom presented them with \$100 in gold, and two little nephews five dollars in gold. The grooms gift to the bride was a magnificent pearl necklace, to the pianist a cameo ring and to the soloist a pearl crescent.
